29th April 2025

Dear Parents and Carers,

As part of our science learning in Term 6, we will be identifying and classifying animals by exploring their features. To support this learning, we are excited to let you know that we have arranged for *Jonathan's Jungle Roadshow* to visit the children in school on **Thursday 12th June 2025**.

Jonathan specialises in providing professional animal encounter sessions that are educational, interactive, and fun. During the session, children will be introduced to a wide variety of animals and will have the opportunity to observe their similarities and differences. They will also consider how these features can help us group animals in simple ways.

The cost of this experience is **£6.42 per child**, and payment should be made via **ParentPay**. The deadline for payment is **18th May 2025**. If you have any difficulty making this payment, please contact the school office as soon as possible. Without sufficient contributions to support the event, we may be unable to go ahead and will need to cancel in good time.

We are really looking forward to this exciting opportunity, which will be a fantastic enhancement to the children's learning.

Thank you for your continued support,
The Reception Team
