26th February 2024

Dear Parents and Carers,

As part of our science learning in Term 5 we will be identifying and classifying animals and looking at their features. To support this learning, we are excited to let you know that we have arranged for Jonathan's Jungle Roadshow to visit the children in school on **Thursday 25th April 2024**.

Jonathan specialises in providing professional animal encounter sessions which are educational, interactive, and fun. Children will be introduced to a wide variety of animals and given the opportunity to observe the similarities and differences between them, including thinking about how we can use these features to group the animals in a simple way.

The cost of this experience is **£6.30** per child and payment should be made via Parent Pay. Deadline for payment is **17th March 2024**. If you have any problems in making this payment, please contact the school office asap as without sufficient funds to support this event we may be unable to proceed and will need to cancel the event in good time.

We are really looking forward to this day and know that it will be great enhancement to the children's learning.

Thank you,
Year 1 Team
