

# Year 3 Term 6 Newsletter

## Welcome to Term 6

Welcome back! We hope you enjoyed the half term break! In term 6, we will be focussing on our class text: Charlie and the Chocolate Factory.

Within our writing this term, we shall be producing a range of different outcomes. In our fiction unit we will be writing an additional chapter for Charlie and the Chocolate Factory which will include a new character, new room and dilemma. In our non-fiction unit we will be writing instructions for a new recipe for the chocolate factory. In Maths we will be exploring measuring length, mass and capacity. We will also be learning about angles and towards the end of term we will be moving on to statistics – interpreting data through tables, pictograms, and bar charts. To supplement this learning, we will be continuing to regularly practice our 3, 4 and 8 times tables. Please support your child by continuing to practise KIRFs at home. We will be revisiting KIRFS that we have practised through the year.

We will continue to link our learning to our texts where it is appropriate within the broader curriculum. Within our History lessons we will be learning about the Mayans. In Computing, we will be using Scratch to create a maze. In online safety we will be looking at managing relationships online. In Science, we will be learning about plants and how they grow and survive. We will also have weekly music, RE, Personal Development, French and spelling lessons.

### Homework

Homework in Term 6 will be Spellings and an English or a Maths task that will be linked to that week's learning. We also ask for children to read at home 5 times per week. This will be sent home on a Friday and all homework books and reading books need to be brought back into school every Wednesday.

### PE

PE in term 6 will be on a Monday and we will be doing athletics. Children need to come to school in their PE kit on this day.

Thank you for your continued support.

### Meet the team

Please email the class teacher if there is anything you wish to discuss

#### Class 3K

**Mrs Knight (Class Teacher) & Mrs Lee (Class TA)**
