

Year 4 Term 1 Newsletter

Welcome to Term 1

Welcome to Year 4 at The Croft. We are so excited to welcome all of the children back and hear about their summer holiday stories and adventures.

Upon their return to school, we hope the children will be pleased to be able to catch up with friends and share their experiences and adventures from the summer. We are also excited to see the new friendships as the classes have changed, giving children a chance to develop their social skills further. We are very excited to watch each of the children grow and develop within Year 4, building on their learning journey.

The Wolves in the Walls

By Neil Gaiman

This book will form the basis of our Writing and Reading lessons and will support the children to produce some high-quality writing. This term, our text is The Wolves in the Walls with the children writing a sequel at the end of the fiction unit. In the latter half of the term the children will write an eye witness report. Within the lessons we will look at a variety of skills. In History we will focussing our learning on the Tudors, which we are hoping that all of the children will thoroughly enjoy.

Within maths this term we will be exploring place value to 4 digits. The children will also have daily fluency lessons which will recap their number fact knowledge of place value to 3 digits as well as weekly multiplication recall. In addition, We will continue to develop their understanding of multiples.

Homework will continue to be given out on a Friday and will be due in on the following Wednesday. It will be 5 reads in the reading record, one multiplication page and spellings on alternative weeks and a piece of maths or English homework. The spelling homework will follow the weekly focus. The children will be tested on the words on a weekly basis. We would like children to read at home at least 5 times per week. This should be recorded in reading records please.

Reading records will be collected in on a Wednesday to be checked and then given out on a Friday with a new reading level book and a reading for pleasure book that the children choose themselves. We shall also be reading with the children in school to ensure their reading is progressing as much as possible and we are closely monitoring their reading fluency and comprehension skills.

Many thanks for your continued support! We look forward to sharing a fantastic term with you all!
