We are thrilled to announce an exciting day trip for Year 5 to *We The Curious* in Bristol on **Tuesday 9th June 2026**.

During our visit to *We The Curious*, the children will explore a wide range of hands-on science exhibits designed to spark curiosity and deepen their understanding of the world around them. They will have the opportunity to take part in interactive investigations, experiment with different scientific concepts, and engage in practical activities that link directly to their learning in school. The visit also includes a dedicated workshop led by *We The Curious* staff, where pupils will work together to explore scientific ideas through exciting, enquiry-based tasks. It will be a highly engaging and immersive experience, encouraging children to ask questions, think creatively, and discover science in a fun and memorable way.

We will be travelling by coach, leaving school promptly at 8.45am and returning to school for usual drop off time of 3.30pm (We will send an Arbor message should they be late returning due to traffic)

Your child will need to:

- To arrive at school promptly by 8.30am. Please note: late arrivals risk missing the trip.
- Bring a packed lunch and a healthy snack.
- Bring a water bottle.
- Wear full school uniform with sensible shoes for walking.

Cost and Payment

The cost of this trip is **£24.68 per child**, which includes transport, entry to *We the Curious* and any workshops. Payment and consent must be made via the Trips tab on Arbor by **Sunday 31st May**.

Please note: As a school, we cannot run at a loss, therefore we need to ensure we are financially viable before running any trips, without sufficient funds to support this event we may be unable to proceed and will need to cancel the event in good time.

The Arbor payment item is consent for your child to attend. **Without this consent, your child will not be able to take part.**

If you have any difficulties making payment, please contact the school office as soon as possible so we can discuss options with you.
