Dear Parents and Carers,

As part of our exciting learning in Term 6, we are pleased to let you know about a fantastic educational opportunity for our Year 6 children. On **Tuesday 23rd June 2026**, we will be welcoming the renowned team from Portals to the Past to deliver an interactive “Crime and Punishment” workshop.

This engaging experience will help deepen the children’s understanding of how crime and punishment has changed throughout history through a variety of hands-on activities and immersive experiences.

During the workshop, children will:

- Explore how crime and punishment evolved over time through an engaging introduction from Past Productions.
- Meet an “executioner”, who will share fascinating insights into his life and role within historical justice systems.
- Handle and investigate a range of realistic working artefacts, including weaponry and Tudor torture devices, specially created for educational workshops.
- Take part in a variety of interactive activities designed to bring history to life.

Children should attend school in their usual school uniform on this day.

The cost of the workshop is **£7.25** per child, payable via the Trips section on Arbor. Please ensure payment is made by **Sunday 7th June 2026**.

If you experience any difficulty making payment, please contact the school office as soon as possible. As with all school events, if insufficient contributions are received, we may unfortunately have to cancel the workshop.

We are very much looking forward to this exciting opportunity and are sure it will be a memorable and valuable enhancement to the children’s learning.

Thank you for your continued support.

Kind regards,
The Year 6 Team
