

## **SPORTS PREMIUM SPEND AND IMPACT 2017 2018**

The government continues to provide additional funding for schools to support and develop children and staff through sport. This year this funding value has been doubled. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - has been allocated to primary school headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

**Eligible schools** Funding for schools will be calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual schools census in January 2016.

**Purpose of funding** Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE
- supporting and engaging the least active children through new or additional Change4Life clubs
- paying for professional development opportunities for teachers in PE and sport
- providing cover to release primary teachers for professional development in PE and sport
- running sport competitions, or increasing pupils' participation in the School Games
- buying quality assured professional development modules or materials for PE and sport
- providing places for pupils on after school sports clubs and holiday clubs
- pooling the additional funding with that of other local schools.

- **HOW WILL THE CROFT PRIMARY SCHOOL BE ALLOCATING THE FUNDING THIS YEAR?**

We have been allocated £16,810

We are using 25% of the funds, with our Federation of schools, to pay for the part employment of 2 x PE specialists from a local secondary school to work with us

- they are providing professional development opportunities for teachers using the PE curriculum, including swimming coaching, dance skills, gym skills and outdoor and adventurous activities.
- they are auditing CPD needs and demonstrating lessons
- they are running inter and intra schools sports competitions for KS1 and KS2
- they are supporting the teaching of the swimming PE curriculum
- they are supporting with the continued design and implementation of assessment in PE
- they are supporting with extra-curricular sports clubs

The spread sheet below shows the numbers of children receiving each individual sporting opportunity last year with our secondary school partners in particular vulnerable groups. CPD was accessed by our NQTs and all demonstration lessons were for every year group.

Date	Event	Year Groups	Children Involved	Boy (B) Girl (G)	SEN	PP	EAL

We are using the remaining 75% of the funds to

- Continue and further develop the many sporting enrichment opportunities we offer in school and out of school hours for all the children.
- Provide release cover for staff to attend PE courses
- To hire a local sports centres all weather pitch to teach an after school sports club
- To allow a competitive letting rate for a local Martial Arts, dance club, fencing club, performing arts club, football for boys and girls clubs
- To support #everyoneacan week, a week where all children attempted a new sport e.g archery, trampolining, pilates, biking
- To pay for an inspirational Paralympian speaker to visit the school
- To develop a sports leader alongside after school clubs so that all children can take part in a sporting activity after school without cost to parents
- To buy sports kits for KS2 teams for inter school competitions
- To buy resources to support play leaders at lunch time so that children can be active
