

Year 3 Term 6 Newsletter

Welcome to Term 6

Welcome back! We hope you enjoyed the half term break!

In term 6, we will be focussing on our class text: Charlie and the Chocolate Factory.

Within our writing this term, we shall be producing a range of different outcomes such as setting descriptions, character description and letters. Our phase 3 outcome will be focussed on writing an additional chapter including a new character.

In Maths we will be exploring measurement and length, properties of shapes and statistics. To supplement this, we will be continuing to regularly practice our 3, 4 and 8 times tables alongside recapping year 2's learning of the 2, 5 and 10 times tables.

We will continue to link our learning to our texts where it is appropriate within the broader curriculum. Within our Geography lessons we will be learning about maps and location. In Computing, we will be learning how to use scratch and program while discussing online relationships in online safety. In Science, we will be learning about plants and how they grow and survive. We will also have weekly music, RE, Personal Development and spelling lessons.

Homework

Homework in Term 6 will be Spellings and an English or a Maths task that will be linked to that week's learning. We also ask for children to read at home 5 times per week. This will be sent home on a Friday and all homework books and reading books need to be brought back into school every Wednesday.

PE

PE in term 6 will be on a Wednesday and we will be doing athletics. Children need to come to school in their PE kit on this day.

Thank you for your continued support.

Meet the team

Please email the class teacher if there is anything you wish to discuss

Class 3F

Mrs Foley (Class Teacher) & Mrs C-T (Class TA)
