Dear Parents and Carers,

This term, Year 6 have been working on a project called 'Make £5 Grow'. This project has provided our pupils with the opportunity to develop their own small businesses, starting with just £5. It has given them an insight into how business works and helped them build skills for the future such as team-work, problem solving, leadership and money management.

We are very excited to announce that we will be sharing this experience with the rest of the school. On **Monday 10th July**, from **1:00pm-4:00pm**, our Year 6 pupils will be hosting an event on the top playground where the rest of the school can come and engage with the different products and experiences our Year 6 pupils have developed. Parents/Carers are welcome to join at school pick up time.

There will be 10 stalls with various products and experiences on offer:

- Face Painting
- Handmade Bookmarks
- Homemade Lemonade
- Milkshakes
- Hair Dressing and Temporary Tattoos
- Stocks
- Homemade Fudge
- Snow Cones / Slush Puppies
- Can Alley
- Laugh or Bath

The cost of games and products on offer vary from 50p-£1.50 so we are asking that if you would like your child/children to participate in any of the activities listed above or purchase any of the products, you send them in with some money (no more than £3) on this day. **All profits made from this project will go towards Year 6's Prom at the end of the year.**

Please could you let your child's class teacher know if you do not want your child to participate in / purchase from any of the stalls mentioned above.

Many thanks,
The Year 6 Team
