Croft Primary are pleased to confirm that Earth Uniform have now expanded on the range of sustainable uniform available from them. The composition of their sweatshirt products has a higher sustainable poly count, therefore, are thicker, designed to last longer and retain colour whilst their tie is manufactured from recycled plastic bottles. If you would like to find out more about why we are looking at making these changes for a better planet, please visit: [Earth Uniform](#)

Whilst we are making this responsible change, Uniform will still be available through M&S, however this will be for a limited time only, so do please keep checking between suppliers for the best price and product availability.

Additional Notes

Jewellery should be kept to a minimum. It is fine to wear jewellery due to a religious belief. Earrings should be small stud earrings. **Hoop earrings** are not allowed as they are a risk during PE lessons and at playtime.

Nail Varnish and Makeup are not permitted in school.

If, for cultural reasons, parents wish their child to wear a particular type of clothing during the school day, this is absolutely fine. Examples include turban, headscarf, or a PE kit that includes longer-length trousers.

Please ensure you label all your child's clothing and property with their full name, including water bottles and lunch boxes.

In the event of an item being lost, a clearly named item has a better chance of being returned to your child.

Any unnamed items, will be placed in the lost property boxes in the school reception and disposed of on a termly basis.

The Croft school cannot take any responsibility for loss or damage for items.
