## Year 13 Leavers' Liturgy

On Friday 26 May our year 13 students gathered together for a final time as a year group. We listened to readings, prayers and reflected on our time at EMS6 and where our next steps will take us. Year 13 have been an amazing year group and we are sure that they will continue to be the remarkable young people that they are.

## Year 12 Open Days

**Northumbria University**  
NEWCASTLE

universities across the country are holding their open days across the summer term and beyond. This is an ideal time for students to gain an understating of what universities offer and visit cities that they may be living in. We strongly encourage parents/carers to attend open days along with their child so that you can be involved in the decision-making process. To ensure that our students have attended at least one open day we are taking students to Newcastle and Northumbria Universities on Friday 23 June. A letter has been sent to parents/carers via the app.

**UCAS**

Whether you want to study around the corner or move miles away, there are over 350 UK universities and colleges to choose from. Head to the UCAS Hub to discover more about different UK cities, regions, universities, and colleges.

## Year 12 Work Experience Week

Quick reminder that year 12 students will be on work experience from Monday 3<sup>rd</sup> July until Friday 7<sup>th</sup> July. Work experience forms a compulsory part of the year 12 programme to help students develop employability skills and experience working life. This will assist students when it comes to applying for part time employment, university and apprenticeships. Students have been asked to add their placement details to unifrog so that suitable checks can be made.
