<u>Art and Design</u> <u>Year 10/11</u>	<u>Module 1</u>	<u>Module 2/3</u>
<u>Topic Theme and Intent</u>	Natural Forms – Students will be introduced to the course with this fundamental project. Student's will explore the formal elements within Art and design. Exploring a wide range of media, materials and techniques. They are also introduced to presentation and annotation that is applicable to achieve the assessment objectives.	INDEPENDENT PROJECT: Portraiture- Pupils will be guided through how to create an accurate self-portrait initially through traditional drawing techniques and skills. Learning about proportions of the face. From this starting point students will then experience photography techniques and working with digital media. Portraits and the figure are available to explore and echo the format of the end of year 11 AQA GCSE examination.
<u>Knowledge</u>	Pupils will start to think creatively about form, pattern, texture and how to render natural forms to a realistic and high degree. Pupils will also learn about a range of artists and how to record photographically to support independent work. Pupils will undertake a wide and varied journey including drawing, painting, printing, 3Dimensional work and photography. Pupils will be introduced to the creative possibilities of physical manipulation and mixed media techniques to support and enhance digital skills.	Pupils look at contemporary & past practice. Pupils develop personal ideas whilst using artists and photographers work as inspiration. Pupils will draw from previous drawing and rendering experience and build in photographic skills and knowledge to respond creatively and individually to chosen theme of portraits
