Reading Reward

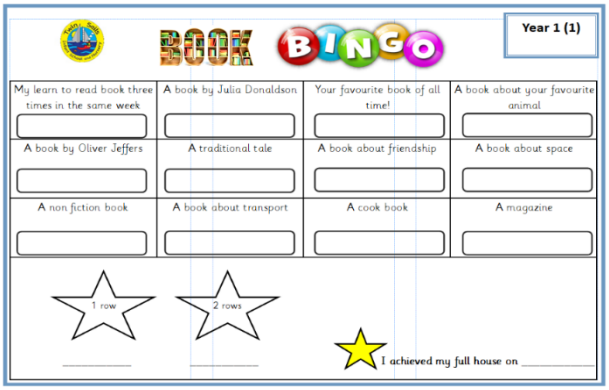

Dear Parents and Carers,

At Hamworthy Primary Schools, reading is at the heart of our curriculum. We want every child to leave school with a passion for books and the ability to read fluently and confidently, and with a good understanding of what they have read. Therefore, we are proud to launch our brand-new reading challenge, Book Bingo!

To help foster a love of literature and encourage exposure to a variety of genres, we have a whole school reading initiative…**Book Bingo.**
Just like the game of Bingo, the aim is to complete the board. Once the children have read a set number of books, they will receive a raffle ticket. Their name will then go into a prize draw, which will be drawn at the end of each half term in the celebration assembly. The more the children rad, the more raffle tickets they will earn and the ore chance they will have of winning a prize.

1 Line = 1 raffle ticket 2nd Line = 2 raffle tickets Full House = raffle tickets

Reception, Year 1 and Year 2
Children's reading cards will be made up of different text and types and reading criteria. Once the board is completed, your child will receive a new board with a different set of challenges. Please track the books that your child has read by recording the titles on the Bingo board. The Bingo boards will be kept at the back of your child's reading record.

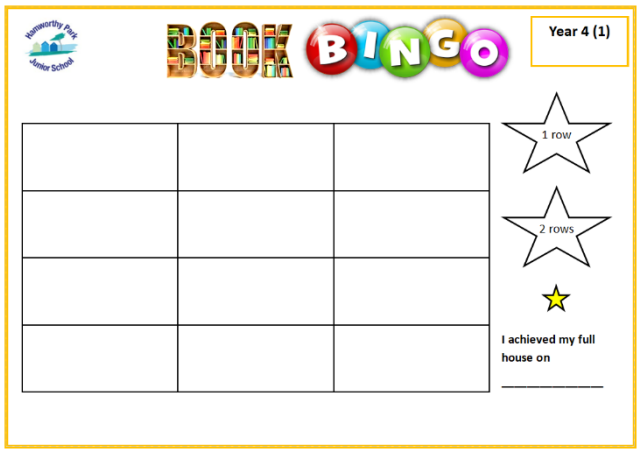

Example of KS1 Book Bingo board

KS2 – Year 3, 4, 5 and 6

Children's reading cards will be kept blank, they will be challenged to read and record books from the suggested reading list for their year group. A copy of the suggested reading list can be found in your child's diary and on our website.

This initiative will run alongside our challenge for children to read 100 books by the end of Key Stage 2. The bingo cards will be kept at the back of your child's home learning diary.

Example of KS2 book bingo board

We do hope the children will be excited at the launch of this challenge and thank you for your continued support.
