Overview for Tuesday 9th January 2024

Phonics

Please have a go at reading the words with the "ea" digraph, pronounced as the "e" phoneme.

Bread
Head
Ready
Thread
Breakfast
Feather

English

Please watch the video on the link – Lost and Found by Oliver Jeffers.

Lost and Found By Oliver Jeffers I Read Aloud (youtube.com)

This week, the children are learning to add the -ed suffix to verbs to change them to the past tense.
Please have a look at the activity for English where children need to add the verb and the -ed suffix and write the word.

Maths

This week, the children are learning about 2D and 3D shapes. For today's maths learning, we would like you to go on a shape hunt around your home and draw some of the everyday objects you find and label the name of the shape that it is.

Handwriting

Please have a go at practising your letter formation for the letters – r, n, m.

Please use the letter formation rhymes to help you to start and finish the letters in the correct place. Remember these letters need to sit on the line.

r – from the cloud to the ground and over the rainbow.
n – down, up and over the net.
m – down, up and over the mouse's ears.

PSHE

As part of our PSHE learning, we have been learning about different rules for different places. For today's learning, we would like you to create a poster for our classroom to share our superstar rules.
Remember:

- Gentle hands and feet
- Honest and Truthful
- Polite and Respectful
- Kind and helpful friends
