Accessing your child's 'learn to read' book –

- Each week your child will have a sticker placed in their Reading Record book by their teacher.

- The title of this book is their 'learn to read' book and matches their phonic attainment.

- Download this book on the app.

Why it's important to read the book chosen by the teacher -

- It is familiar to your child as they have read this with their teacher 3 times during the week.

- Your child will be confident and should be able to recognise most of the words by sight to support their fluency.

- It allows your child to see themselves as a reader and is an opportunity for them to 'show off' their reading skills to you and be proud of their reading.
