Clubs can be booked up to 24 hours in advance and cancelled 24 hours prior to the club starting.

- You are advised not to book sessions too far in advance unless you are certain you can utilise them.
- Children who turn up to club sessions without booking will **not** be able to attend. If children turn up at club sessions without booking, the school will look after the child, but parents will be contacted to pick up.
- Parents who cannot pick up will be charged for the un-booked session and an additional penalty fee of £5 per child.
- Parents/carers who collect their children more than 10 minutes late from their booked session, will be charged £5 per child late collection fee, to cover additional staffing costs the school will incur.

Medical, Allergens & Dietary

The school are aware of children with allergens, dietary or any other special needs. However, it is the parent's responsibility to ensure the Club Assistants are aware.

- Medication, other than inhalers or auto injectors (e.g. Auto-Injector pens) cannot be administered by club staff during club sessions. If your child has a health care plan, please let the school office know.

Children in Twin Sails Nursery

Children in Nursery may need an alternative provision to that which the school can provide, due to their age and stage of development. Therefore, for all Nursery children, prior to the initial booking, are required to have a discussion with the school to assess and ascertain whether the provision is appropriate for the needs of the child. This may take time as your child settles into school and our routines.

For all other children across the Federation, where the school feels the provision is not appropriate for the child the school will in the first instance invite the parents in to discuss. It is the right of the school to refrain from offering a place to a child, if the school feels that the child is unable to follow the routines and expectations and therefore would not be in the child's best interest or that of others. This would be reviewed at appropriate times.
