Year 3 Learning Journey Autumn 1 – Geography

Cities and Towns - Bournemouth

Key Vocabulary

Compass

A piece of equipment showing directions.

Compass Directions

North, East, South and West.

Town

A built-up area that is larger than a village but smaller than a city.

Settlement

Places where people live and often work.

Symbols

Mark or character used to represent a feature on a map.

Ordnance Survey Map

A detailed, accurate map.

Retrieval:

Human features are handmade objects. Physical features are natural features of the Earth. London is a city.

I know how to read a key and identify symbols on an Ordnance Survey (OS) Map.	I know how to use a map to identify physical and human features.	I know how to describe locations using a compass.
I know that human features in Bournemouth have changed over time.	I know that settlements are places where people live and work.	I can create a map.
