Lesson 1

I know the location of Swanage to Hamworthy.

Lesson 2

I know that Swanage has different features, and these can be located on an Ordnance Survey (OS) Map.

Lesson 3

I know that Swanage has been formed by a physical process called erosion.

I know that Swanage has changed overtime, which has influenced what the land is used for.

Lesson 4

I know how to make a detailed map of Swanage.

Lesson 5 - Travel Survey

I know that I can create a Travel Survey to help me understand Swanage better.

I know that I should ask a range of questions to get a broad understanding.

Lesson 6

I know that I can present my findings in a variety of ways.
