Where are they staying?

- There are five accommodation blocks which range from converted barns to traditional Purbeck stone farmhouses. The bedrooms are shared dormitory style with the majority sleeping between 4 and 6 children. The schools allocate who is sharing each room. The children are asked to make their own bed on the first day.
- All of the buildings have toilets within them, some also have showers. For those buildings without showers, nearby male and female shower blocks are allocated to each school.
- Each of the buildings has a coded entrance for security and staff members from the school will be staying within the building. Brenscombe also has a duty instructor available to support the school staff throughout the night.

What do they eat?

- We know how much energy gets burned up by combining outdoor activities with staying residentially in an outdoor centre, so we ensure that everyone is well-fed.
- Breakfast includes a cooked option every day along with cereals and toast.
- Packed lunches include a sandwich along with fruit, crisps and flapjack or brownie. Your child will be able to pre-order their chosen sandwich filling, organised by the teachers.
- You will need a packed lunch for your child on the first day.
- Evening meal is a hearty comfort style cooking such as big pastas, chillis, burgers, sausages etc…. All accompanied with a pudding.
- We regularly cater for a wide range of dietary requirements, which we need to know in advance. Please ensure that your group organiser has been given all the details.
