We all belong to different groups or communities.
Everyone is a member of different groups. Some people belong to sports clubs, others belong to music clubs or are a member of a charity.

What is a Community?

People who have something in common are called a community. They might play the same sport or live in the same place for example.

What Groups Can We Be a Member Of?

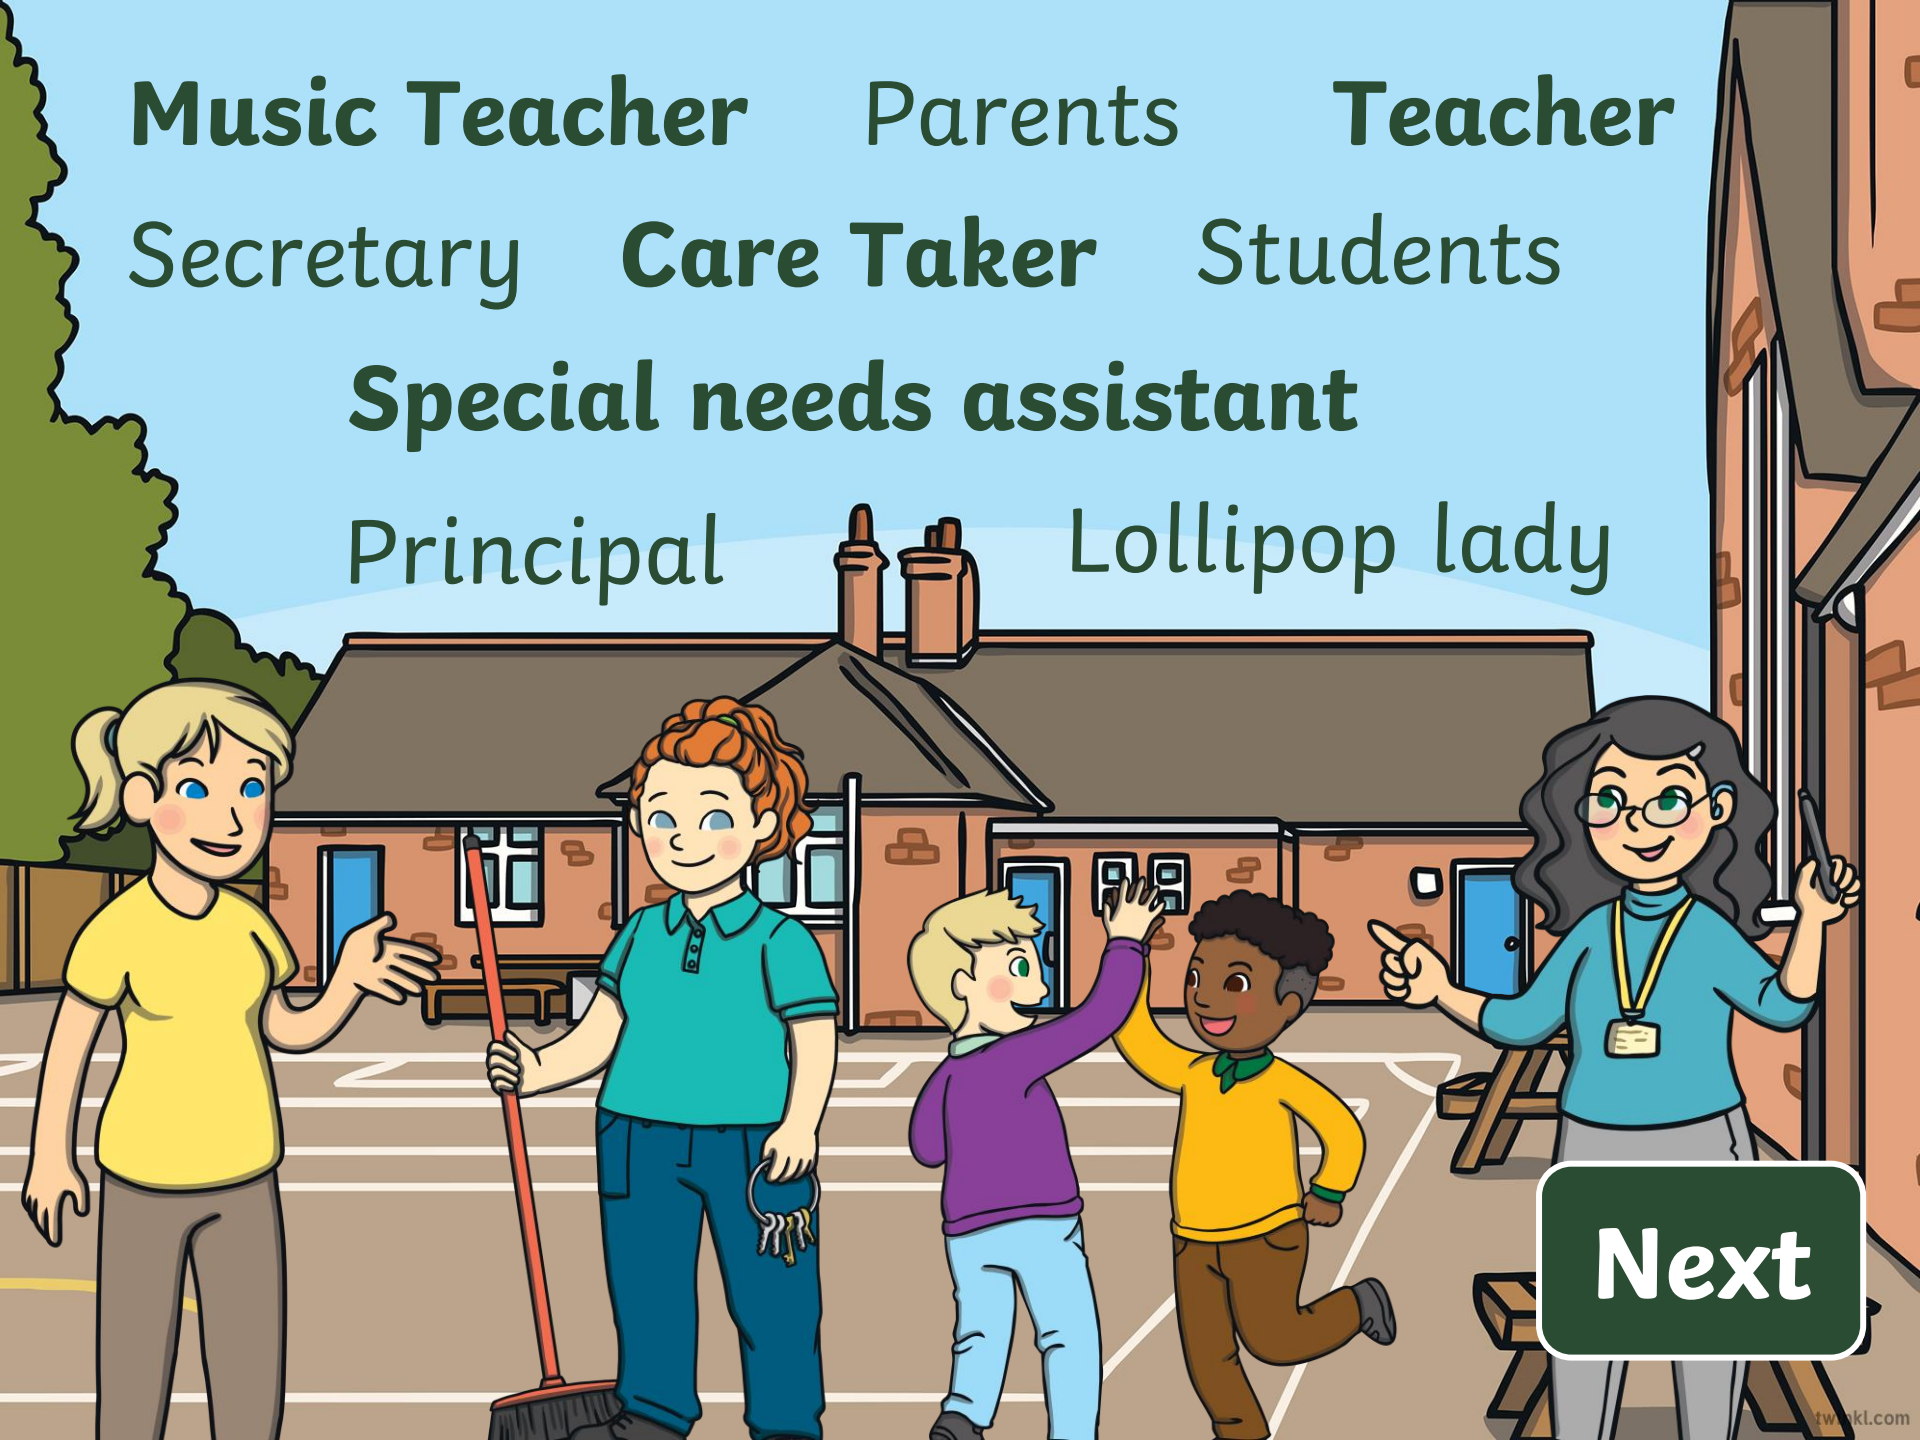

School Community

Anyone that goes to or works in a school is part of the school community. It is a very special place.

Can you think of all the different members of the school community?

WOW!
School Class
Our Class Rules
Within the school, we have different classes.
You are all a very special member of your class.
There are other classes in your school that you are not a member of.

Family
You are all a member of a family. Every family is very special, different and unique.
Some families are big and others are small. Some have grandparents too.

Village or Town

We all live in different places. Some people live in housing estates where there are lots of people living beside them. Others live in the countryside where they have fewer neighbours.

You are all part of the community of people living near you.

In what way can our neighbours help each other out?

Parish
Some people attend church services or masses as part of their religious beliefs. The people that they see at those services are also part of their parish community.
