Spelling

- Say the word.
- Segment the sounds.
- Count the sounds.
- Write them down.

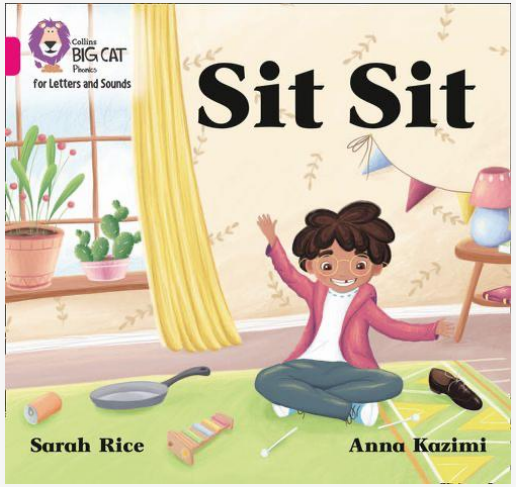

How do we teach reading?

Reading practice sessions are:

- timetabled three times a week
- taught by a trained teacher/teaching assistant
- taught in small groups.

Reading a book at the right level

This means that your child should:

- Know all the sounds and tricky words in their phonics book well
- Read many of the words by silent blending (in their head) – their reading will be automatic
- Only need to stop and sound out about 5% of the words by the time they bring the book home – but they should be able to do this on their own.

Reading at home

The most important thing you can do is read with your child

Reading a book and chatting had a positive impact a year later on children's ability to…

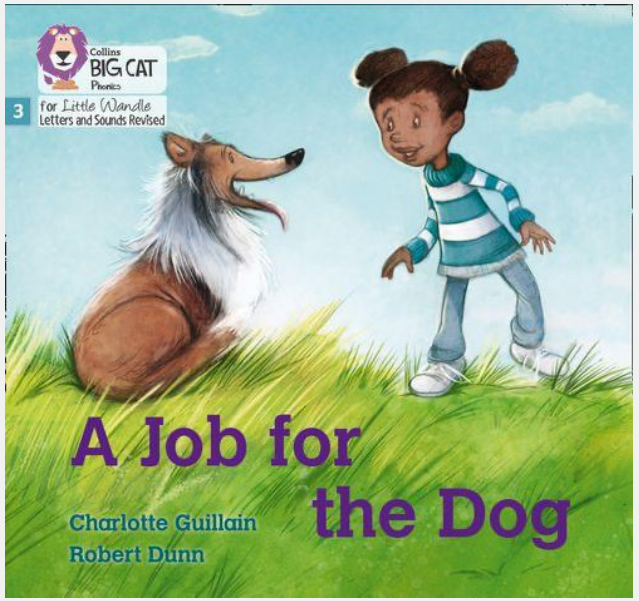

- understand words and sentences
- use a wide range of vocabulary
- develop listening comprehension skills.

The amount of books children were exposed to by age 6 was a positive predictor of their reading ability two years later.

Reading at home

Big Cat Collins

- Children should access their weekly Learn to Read book via the Collins Big Cat Ebooks.
- The book your child will need to access will be located on the sticker in their reading record.
- Please indicate in the reading record every time your child reads.
- 3 times a week at home.

Listening to your child read their phonics book

- Your child should be able to read their book without your help.
- If they can’t read a word read it to them.
- Talk about the book and celebrate their success.

Read to your child

The shared book is for YOU to read:

- Make the story sound as exciting as you can by changing your voice.
- Talk with your child as much as you can:
  - Introduce new and exciting language
  - Encourage your child to use new vocabulary
  - Make up sentences together
  - Find different words to use
  - Describe things you see.
