Hamworthy Primary Schools
Curriculum Overview

Year 3

Summer 1 2025

English

In English this half term our learning is based around the text 'Dragon Mountain'. We will create our own dragon fact file using organisational devices including subheadings, paragraphs and labels. After this we will create our own dragon and write a character description. We will consolidate some prior knowledge including conjunctions and adverbs.

How you can help at home: Read at home at least 3 times a week.

Maths

In Maths this half term we will be continuing our learning with fractions. We will finding a unit fraction of a quantity. After this we will be moving on to non unit fractions. We will identify, represent and compare them. The children will also add and subtract fractions within one whole.

How you can help at home: Practice times tables using TTRS.

Science

This half term we will be continuing our learning about plants. We will discuss how different varieties require different things to grow. We will carry out investigations and experiments to show how plants need certain things to survive.

Humanities

In History this half term, we will learn about the importance of the River Nile and how life surrounded it. We will learn about how the population lived around the Nile and how they used the land to survive e.g. fishing, bathing and transporting goods.

Art

In Art this half term we will be using clay to make our own Dragon Eyes. We will learn techniques such as pinching, coiling, rolling, addition, reduction. We will also learn how to join two pieces of clay together.

PE & Sports

Monday - Swimming

Thursday Afternoon – PE Lessons

RE

In RE this half term we will be learning about Buddhism. We will discuss the importance of the story of Buddha and the best way for a Buddhist to lead a good life.

PSHE

In PSHE our learning is based around Physical health and Mental wellbeing. We will discuss healthy and unhealthy choices and habits as well as what makes up a healthy, balanced diet. We will also discuss things that affect feelings positively and negatively about some of the different ways people express their feelings.

Computing

In Computing this half term, we will be learning how to make our own stop frame animation. We will learn that animation is a sequence of drawings or photographs, review and improve an animation and evaluate the impact of adding other media to an animation.

Other Information about this term:

Homework is handed out every Monday to be completed by the following Monday.

Swimming lessons begin 13th April for the Summer term
