The Florence Nightingale Academy

Long term plan for Computing

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 1	Programming and Modelling	Multimedia and word processing	Digital Media	Using pictograms to record Data	Simulations and Modelling	Multimedia and word processing (Story Writing)
Year 2	Multimedia and Word processing (Speech)	Digital Media	Multimedia and word processing (Fact File presentations)	E-Safety including emails	Programming and Modelling	Data Handling
Year 3	Programming and Modelling	Multimedia and word processing (Information text)	Multimedia and word processing (eBook)	Recording Data (Databases and Graphs)	Communication and collaboration	Digital Media (Presentation)
Year 4	Digital Media (Audio)	Using the internet	Programming and modelling	Recording Data using Graphs	Multimedia and word processing	E-Safety
Year 5	Multimedia and Word processing	Programming and Modelling (Games)	Using the internet	Web Design	Digital Media (Animation)	Data Handling
Year 6	Communication and collaboration (Using the internet)	Digital Media (Movies)	E-Safety	Data Handling	Multimedia and word processing (Presentations)	Programming and modelling
