At GCSE we follow the AQA RE Syllabus A. paper 1 Christianity and Sikhism , beliefs and practices. Paper 2 : Relationships and families; Religion and life; Religion, peace and conflict; Religion crime and punishment.					
- We start with this topics as it builds one of the last topic of Year 9 . - We will also start to look at how we apply our knowledge to GCSE type questions	- We will now look at our first Paper 2 “Thematic topic”. - This will include several topics that require a level of maturity you now have. - You may have strongly held views but it is important to consider alternative perspectives.	- We will now look at our second Paper 2 “Thematic topic”. - We will be revisiting some environment themes we looked at in Year 8 . - Some of these topics are too mature and controversial topics for Year 8.	- This is our second Paper 1 Topic. - As a Sikh School many of you already know a lot about this subject. - However the AQA syllabus is very specific about what you need to know for the exam.	- This is our last topic for year 10 . Again it is from Paper 2. - Unfortunately many of the themes here are to be found in the world today: War, violence and terrorism. - There will also be some opportunity to revise for the Year 10 Mock Exam.	- As we near the end of Year 10 we will complete a mock exam. - Once this is marked we will do a “Purple Pen” feedback activity. - We will then complete the peace and Conflict topic.
