

THE KVI NEWSLETTER

Autumn Term ISSUE #1 OCTOBER 2022

Our year 11/12/13 students had the opportunity to go and visit Keble College and St. Catherine's college. During the visit they took part in university lectures, a tour of the different colleges as well as valuable information on completing their personal statements.

It was open for students who were interested in going Oxford and experiencing a day in the life of an Oxford student. This gave Year 12 and Year 13 students a greater insight on how universities work and how lectures go. Students thoroughly enjoyed the experience and the opportunity to visit such a prestigious university. To the right are some highlights of the visit!

Next up, we've also encouraged students who are looking to go to universities to start their personal statements. As a common problem is having issues with how to start a personal statement, Mr Aslam had kindly arranged for Oxford to present a virtual Personal Statement workshop that assisted students with each part of their personal statement.

DON'T FORGET ABOUT OUR OPEN EVENING!

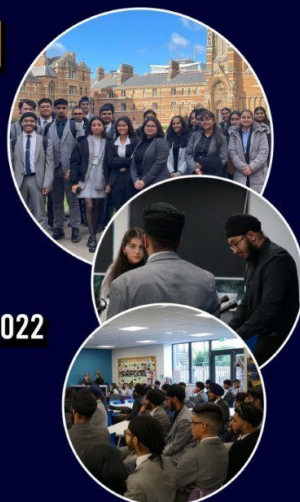

THE KHALSA SIXTH OPEN EVENING

Thursday 3RD November 2022
17:00 - 19:00

Open Morning
Friday 4th November 2022
10:00^{am} - 12:00^{pm}

FOR FURTHER INFORMATION PLEASE CONTACT:

01902 925390 | MILLFIELDS RD, BILSTON WV4 6JP

We've not only assisted Year 13's with their personal statement but we've also had Warwick scholars for Year 12's put in place.

This opportunity has helped the students to maximise their academic potential and develop skills that will help them succeed at the university they're attending. It also provided insight & valuable experience of what it will be like in the future.

THE KVI NEWSLETTER

Autumn Term ISSUE #1 OCTOBER 2022

The 6th form reading society are reading the #1 New York Times bestselling author Sabaa Tahir comes a brilliant, unforgettable, and heart-wrenching contemporary YA novel about family and forgiveness, love and loss, in a sweeping story that crosses generations and continents.

Year 11's had been invited to join the Year 12's & 13's workshop which was delivered by Wolverhampton University, Forensic Psychologist - Dr Jack.

Students were given heavy information about the job and subject as a whole. This led to opening more career path ways as students were exposed to the different aspects of psychology and they totally enjoyed it! As well as the year 12's and 13's; Year 11's who were also interested in the subject psychology had a great head start.

TKAWs own football team participated in their first ever under 19's Wolverhampton Cup football match. The boys plays brilliantly, however in the end the score was 4-2 to St Edmunds. There will be many more matches to win in the near future and we're wishing TKAW's Football team the best of luck for next term.
