ALL HOME VISITS CONDUCTED BY STAFF MUST BE AUTHORISED BY THE PRINCIPAL AND/OR DESIGNATED SAFEGUARDING LEAD (DSL)

In addition, wherever possible parents/carers should be informed of the home visit prior to arrival, there will be exceptions to this for example a visit to confirm that an absent child is at home when parents/carers are not responding to telephone calls/text messages or for emergency safeguarding visits.

1. Home Visit Definition

A home visit is a visit that requires The Khalsa Academy Wolverhampton's (TKAW) staff to enter the home of a parent, carer, or guardian in the case of an emergency visit or a procedural visit.

2. Aims

The aim of a home visit is:

- To establish a partnership between parents/carers and staff so that all parties share their knowledge about the child to enable the individual needs of the child to be met
- To develop and strengthen relationships with Parents/carers for the best interests of the child

3. Reasons For A Home Visit

Home visits are important in helping the school to make contact with new or hard to reach parents/carers. They are particularly useful as they enable the parents/carers to still have contact with the school, but in their own environment. Home visits are to be used when:

- Students are refusing to come into school
- When there are attendance issues/concerns
- When students are being educated at home
- When all other means of contact with a family have failed
- To meet with parents/carers to discuss an issue regarding their child where it is in the best interest of the child to have that discussion in their own home rather than at school or where it would be difficult for parents/carers to attend school for a meeting and information needs to be shared in a timely face to face meeting
- To try and establish that a child is safe if they are absent from school and attempts to contact parents/carers have not elicited a response and we have any welfare or safeguarding concerns for the student
- To work with and support parents/carers in developing strategies to help

their child attend school where attendance is an issue

- To collect from or drop a child off at home where there are concerns for a child's welfare if they travelled by other means
- To drop off or collect work for a child when they are completing school work at home e.g. following a fixed term exclusion or medical issue
- To visit a child who has been off school for a period of time, for example due to a medical issue, so that they do not feel isolated from school
- To investigate situations when there are suspicions that someone may be on holiday contrary to earlier indications (for example when a child is not at school and reported as being ill during the same period for which a request for exceptional leave in term-time had been refused)

4. Benefits

Home visits have many benefits. For parents/carers and children, a home visit gives the opportunity to meet a key person in a setting that they are familiar and comfortable with.

Other opportunities are to:

- Establish a positive contact with a key member of staff who is supporting the child
- Meet family members that are important to the child
- Talk about the child and their needs

5. Procedures

The aim of the home visit policy procedure is to ensure good working practice and to provide guidelines in reducing risks to member of staff when undertaking home visits.

Before the Visit

- Be clear about the purpose of the visit. Make sure that a home visit is really necessary. (If possible and/or practical, arrange for parents/carers to come into the school)

- Consider who you need to see, e.g. one or both parents/carers, with or without the child
- Make sure you are well informed about the family and are aware of personal circumstances
- Wherever possible make an appointment to establish a time convenient

to the family and to ensure that everyone you want to see will be present. Either make a phone call or send a letter

- Refer to the 'Lone Working & Home Visits Step Analysis of Risk Assessment' (Appendix 1), and inform the safeguarding team and school reception of your intended location before departing for a home visit

During the Visit

- Park in a well-lit area and in a position where you do not need to reverse on leaving
- Dress appropriately

If appropriate the DSL will make a referral to social care
- If you feel that a child/young person is in immediate danger contact emergency services 999
- Assure parents/carers that you will treat anything they tell you sensitively and will only tell the Principal or other appropriate staff as required. Explain that you may need to take notes during the meeting. Do **NOT** promise confidentiality
- Remember that under the child protection procedures you must report disclosures or suspicions to the DSL

- Be sensitive to the culture, religion etc of the home

- Any Child Protection concerns arising from home visits should be discussed with the Safeguarding team on arrival back to school
- At school do not discuss individual home visits with staff who are not involved with those particular children

6. Home Visit Form

- It is essential that staff write a short report on every visit they make
- If an incident does occur the visitor should record all details as soon as possible after the incident, before precise recollection of events fall from their memory

- Keep your distance, never touch or turn your back on someone who is angry
- If staff attend as a pair wait outside the property until all staff involved have arrived. Consider whether sending out two members of staff may escalate the difficulties

- The same code word should be used if you contact school to alert them that you are in danger and need support
- Staff must leave the property and reach a place of safety if you have any concerns about personal safety and inform school immediately
