KHALSA SIXTH

NOW RECRUITING

Welcome to Khalsa Sixth

Dear Prospective Students,

It is with great pleasure and excitement that I welcome you to the Khalsa Sixth (KVI) at The Khalsa Academy Wolverhampton. As the Head of School, I am honoured to introduce you to a world of opportunities, academic excellence, and personal growth that await you within these pages.

KVI is a place of ambition and aspiration. We are committed to nurturing your talents, challenging your intellect, and preparing you for the dynamic future that lies ahead. Our dedicated team of educators are here to guide, support, and inspire you as you embark upon this crucial phase of your educational journey.

At the Khalsa Sixth, you will have the

opportunity to engage in a wide range of subjects and activities. We offer a diverse curriculum designed to cater to your individual interests and aspirations. Whether you have a passion for sciences, humanities, arts, or any other field, we strive to provide you with the necessary resources and support to excel in your chosen areas. Furthermore, we strongly believe in the importance of holistic education. Apart from academics, we encourage you to participate in extracurricular activities, clubs, and societies.

We are proud of the diverse and inclusive community that thrives within KVI. Your unique perspectives, backgrounds, and passions enrich our school, creating

an environment where you can learn, collaborate, and make lifelong friendships.

I encourage you to explore all that we have to offer, ask questions, and imagine the incredible journey that awaits you here. Remember that success is not solely determined by grades but also by your personal growth, resilience, and ability to adapt to new situations. I am confident that the 6th form will be a transformative and fulfilling experience for each and every one of you. I look forward to witnessing your growth, celebrating your achievements, and supporting you every step of the way.

Sincerely,
Mr S Shoker - Principal

What does our pledge to you look like?

We envisage all our learners to have access to a range of experiences. We will promote:

Vision, Aspiration and Excellence

To inspire you to envisage yourself as a valuable and worthy individual who can contribute positively to society. We will challenge you to work hard and also support you to become more mature, learn independently and take ownership of your education.

Equality, Opportunities and Achievement

To support you to seek out opportunities that will support your lifelong learning journey. As we are a small sixth form we can take the time to get to know each one of you individually and this in turn will mean we are able to offer bespoke experiences that really fit with your future aspirations.

Citizenship, Work Place and World Ready

To equip you with life experiences, knowledge and intrinsic characteristics that will enable you to be a successful, resilient, focused and accomplished individual. The sixth form is an adult learning and working environment. We do however ensure that a strong pastoral support system is maintained so that everyone has access to guidance they may need.

How is our Sixth Form different?

Tailored Support

Support will be offered and available to you whether it be academic or pastoral. It is important that you are supported and equipped with skills to make your own decisions.

Enriching experiences

We will ensure that we offer you a wide range of real-life experiences that will enable you to have an enriching and valuable time with us. These could include visits to other cities as well as visits to workplaces.

Opportunities

It is our role to expose you to as many higher education providers and workplaces as possible – we will build your portfolio of experiences so that you are fully equipped with knowledge and understanding of how a variety of establishments operate and the skills needed to be a success in each of those.

Independence

Promoting independence in the way you work and the way you conduct yourself is important to us. We want you to leave us with an extensive range of skills that will allow you to continue to go from success to success.

HIMMAT COURAGE
