TKS Application Portal

We want to help you feel confident about your next steps after Kingsway. Use the TKS Year 11 Application Portal to:

- Tell us which colleges or providers you are applying to.
- Let us know whether you have started or submitted your applications.
- Paste your personal statement for staff to check.
- Tell us where you need advice or support.

Haven't applied yet or still unsure? Please complete the form anyway. This will help us identify who needs support with their next steps.

For personal statement feedback, paste your own draft into the text box and tell us which college it is for. Use the model statements shared in form time to guide you, but make sure your statement reflects your own interests and experiences.

The portal does not apply to colleges for you. You must submit each application directly to the provider by its deadline.Keep us informed as your applications progress, and speak to your form tutor/year team for support.
