

The Kingsway School Parent Bulletin

The Children's Commissioner for England would like to hear directly from children and young people about their experiences, the challenges they face and their hopes for the future.

Please encourage your child to complete **The Big Future** survey. Their responses will contribute to a national picture of childhood and help inform future decisions affecting children and young people.

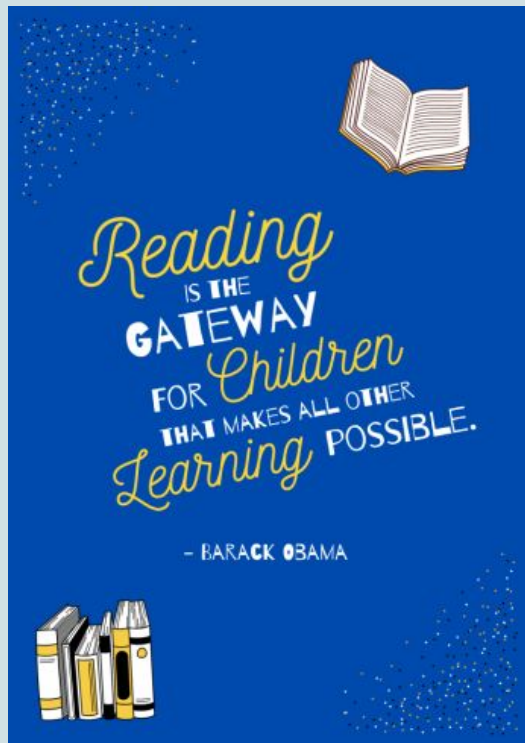

The survey can be completed here:

<https://www.childrenscommissioner.gov.uk/thebigfuture>

Parents and carers may support children who need help accessing or completing the survey.

Thank you for helping ensure that Kingsway students' voices are heard.
