Dear parent / carer,

We are disappointed to inform you that the physical geography fieldtrips to Edale are no longer able to go ahead this week. This affects the following class groups:

Monday 6th July: 10C2 Miss Horsey and 10D2 Miss Clarke.

Tuesday 7th July: 10A1, Miss Hughes and 10B1, Mr Weil.

Wednesday 8th July: 10D1, Mr Nicholson and 10C1, Mr Weil.

Unfortunately, while travelling to Edale on Monday 6th July we encountered re-surfacing works taking place on Rushop edge just prior to the junction with the Mam Tor Hillfort Car Park. Our coach company went to great lengths to find an alternative route to Edale, liaising with other local providers in the area. Due to a number of sharp bends on all alternative routes our coach provider could not assure the safety of all students and staff leaving us with no alternative but to return to school. .

As the resurfacing works will be taking place for the duration of this week we will not be in a position to run the physical geography fieldtrips to Edale on Tuesday 7th July and Wednesday 8th July as planned. We are currently exploring the possibility of re-arranging all physical geography fieldtrips for the Autumn term of year 11. Further communication will be provided once the details of this have been finalised.

Please be aware that the human geography fieldtrips to Salford Quays will still go ahead as planned on the following dates:

Thursday 9th July: 10C2 Miss Horsey, 10A1 Miss Hughes and 10B1 Mr Weil.

Monday 13th July: 10D1 Mr Nicholson, 10C1 Mr Weil and 10D1 Miss Clarke.

Please see the original trip letter for full details, including the need to bring a packed lunch.

If you have any further questions, please contact myself on the following email address:

L.Hughes@kingsway.stockport.sch.uk

Kind regards

L.Hughes
