

The Kingsway School Broadway Key Messages

Welcome Address

Good morning, everyone. This week, we are focusing on one of our core values: **Compassion**. Compassion is more than simply being kind—it's about taking the time to understand others, especially those who may be different from us. It's about empathy, patience, and choosing to make someone else's day a little better.

There are countless opportunities to show compassion in school. It could be noticing when a friend is struggling, welcoming someone new, or standing up for what's right even when it feels difficult.

This week, our Year 7 students will be working with **Show Racism the Red Card**, an organisation dedicated to educating young people about the impact of racism and promoting respect, inclusion, and equality. Their mission is to challenge prejudice through honest conversation, powerful stories, and learning about how we can all play a role in building a fairer society.

Compassion is also about **giving back**. Recently, we completed our Shoebox Appeal, and your generosity will make a real difference to young people this winter. Thank you to everyone who contributed. From **3rd December**, we will begin collecting donations for the local **foodbank**. Every donation counts, and taking part will also contribute to the **community** requirement of your Cultural Diploma. Let's continue to show compassion—through our words, our actions, and the way we treat each other each day.

Have a great week. Mr Sadler.

Something to think about this week...

Global Impact: Since the epidemic began, over 35 million people have died from AIDS-related illnesses, and an estimated 40.8 million people are living with HIV globally today.

Core Objectives

Show Support: People worldwide wear the red ribbon, the universal symbol of awareness and support, to show solidarity with those living with HIV.

Commemorate: It serves as a day to remember the millions of lives lost to AIDS-related illnesses, which is one of the most destructive pandemics in history.

Compassion:

Ready-Respect-Safe Expectations

It's a habit drilled into Japanese people from early childhood.

"Cleaning up after football matches is an extension of basic behaviours that are taught in school, where the children clean their school classrooms and hallways," explains Scott North, professor of sociology at Osaka University.

"With constant reminders throughout childhood, these behaviours become habits for much of the population."

**Do you clean up after yourself when you use our canteen space?
If you buy a meal, eat some of it and leave the remainder on the table and walk off, who do you expect will clean it up?**

Compassion

What is a foodbank and why do people use them?

A food bank is a non-profit organisation that collects and distributes food to people struggling to afford food.

- A simple box of food makes a big difference, with food banks helping prevent crime, housing loss, family breakdown and mental health problems.
- Given the current financial challenges, more households are using foodbanks.

Items to bring in

The foodbank has worked with nutritionists to ensure food parcels contain sufficient nutrition for at least three days worth of healthy, balanced meals for individuals and families.

A TYPICAL FOOD PARCEL INCLUDES:

- Breakfast cereals
- Soup
- Pasta
- Pasta sauce
- Tinned beans
- Tinned meat
- Tinned vegetables
- Potatoes
- Tinned fruit
- Tinned tomatoes
- Tea or coffee
- Lifelong Milk
- Orange juice
- Tinned fish
- Puddings
- Sugar
- Biscuits
- Snacks and treats (as available)
- Toiletry items including soap, shampoo, toothpaste
- Nappies and baby wipes
- plus bread, fruit and vegetables as available.

Compassion: Foodbank Collection

What should each form do?

- 2) Donations will be stored in form rooms.
- 3) All donations must be at your year group collection point by **Friday 11th December. (Keep donating after the Penta-House deadline of 5th December)**

Love To Read - Broadway

We are now in the last few weeks of our first term and the start of advent! It's a perfect time borrow a book before the holiday and end the year with some peaceful activities in the library...

- Advent - the countdown to Christmas! There will be challenges and activities relating to advent display in the library. Come along and join in over the course of advent
- Watch the space for details of Christmas crafting opportunities
- Festive audio-books each Friday during Break 2...

IMPORTANT - While it is understandable that students wish to be somewhere warm during the cold weather, it is still essential that we follow our **READY, RESPECT, SAFE** Broadway Library rules - thank you

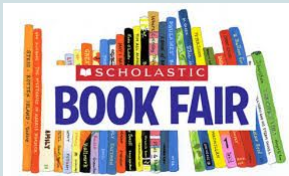

TKS Book Fair

We are open for browsing at the Welfare Station on Broadway each Break 1 from the 1st until the 3rd December. You will be able to create your own wish list and take this home for your parents to order for you via a QR code. YOu will then be able to pick up your books from the fair the next day.

This is a fantastic opportunity to choose a new book for yourself or a friend, put together a wish list of new reads for Christmas that parents and carers can buy for you , and for you to find your next favourite book.

We look forward to seeing as many of you as possible over the week.

All purchases will go towards raising money for TKS as well!

Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.
