

The Kingsway School Foxland Key Messages

Welcome Address

Happy Monday everyone. We continue to be very proud of the culture on both our Broadway and Foxland campuses and staff often comment on the high standards you are showing every single day. Our external visitors to lessons and in your college assemblies are also commenting on how impressed they are with your conduct and your engagement with each other, staff and adults around the campus. On Foxland, 96% of all points awarded so far have been positive – we know we can do better than this though as the term progresses. Attendance at period 6 and our other enrichment opportunities are ways that you can ensure you continue to build your positive ratio as well as helping you to achieve academically and thrive outside of the classroom. We have included a number of the enrichment activities in the key messages this week with the full timetable to follow.

Compassion and respect are central to everything we do at TKS. We are now also working towards becoming a UNICEF 'Rights Respecting School', which means putting children's rights at the heart of our ethos and ensuring that every member of our community is valued, listened to and respected. This week, Ms Hulance also spoke about how we keep ourselves safe in school. Safeguarding is not just about the classroom – it applies to all aspects of life, from how we play fairly on the football field at break, to how we conduct ourselves online.

Finally, this week is International Day of Peace. It is a reminder that we want our campus to be a happy, safe and peaceful community at all times – a place where everyone feels welcome, supported and able to thrive.

Thank you for continuing to contribute to such a positive and respectful environment. Have a great week. Mrs Fowler

Something to think about this week...

Purpose: To promote peace, end conflict, and foster global cooperation by strengthening the ideals of peace within and among all nations and peoples.

Call for Action: The UN invites all nations and people to observe a period of non-violence and cease-fire.

Causes of Conflict: It draws attention to root causes of conflict such as poverty, inequality, discrimination, injustice, and climate change.

Your invitation to our

OPEN EVENING

Thursday 25th September 2025, 5:00-7:30pm
Broadway Campus, High Grove Rd,
Cheadle, SK8 1NP

SAVE THE DATE:

On 25th September, school will close at the end of Period 3, which is 12.20pm.

This is so that staff can prepare for our 'Open Evening'.

Student Volunteers

When you volunteer to represent The Kingsway School at events such as Open Evenings or community activities, you are acting as an **ambassador for our whole school community**. The way you present yourself - your uniform, your behaviour, and the way you speak to visitors - leaves a lasting impression.

It is both a **responsibility and a privilege** to take on this role. By giving your time, you are showing pride in our school and helping to share the values of **Opportunity, Achievement, Respect, and Compassion** with others. Representing Kingsway is an honour, and we are proud of every student who steps forward to do so.

For all volunteers, we have the following expectations:

- Arrive on time and sign in at the designated area.
- Wear the full school uniform and wear it correctly.
- Mobile phones should not be seen or heard.
- Be polite, welcoming, and approachable to visitors.
- Speak positively about the school and your experiences.
- Support staff with guiding visitors around the building.
- Be proactive and offer to help rather than waiting to be asked.
- Demonstrate the school values: Opportunity, Achievement, Respect, Compassion.

Expectations: First Aid

Remember Our First Aid Protocols
In our school we keep ourselves and others safe

WE HAVE QUALIFIED STAFF AND

FOR URGENT FIRST AID ONLY, REPORT
TO THE 'WELFARE STATION'.

IF YOU HAVE HURT YOUR HEAD, STAY

The Welfare Station - Reminder for Students

The Welfare Station is there if you need urgent help or if you need the toilet.

- If you require first aid, do not make your own way to the welfare station.
- If you feel unwell, tell your teacher – they will call Learning Engagement to come to you.
- Students who arrive at the Welfare Station when they should be in lessons, without a pass or Learning Engagement, will be escorted back to lesson.

This is to keep everyone safe and make sure the right staff can help when needed.

Are you acting in a safe way?

Thank you for always stopping at the traffic lights on Broadway before you cross the road. A reminder that a staff member will always be present there and advise you when it is safe to cross.

You must never cross Broadway (road) at any other point as cars are often not clearly able to see pedestrians due to the volume of traffic on after school pick up.

Please ensure that if you cycle home from school you do so safely and with caution to others.

Thank you for sensibly and safely leaving our campus.

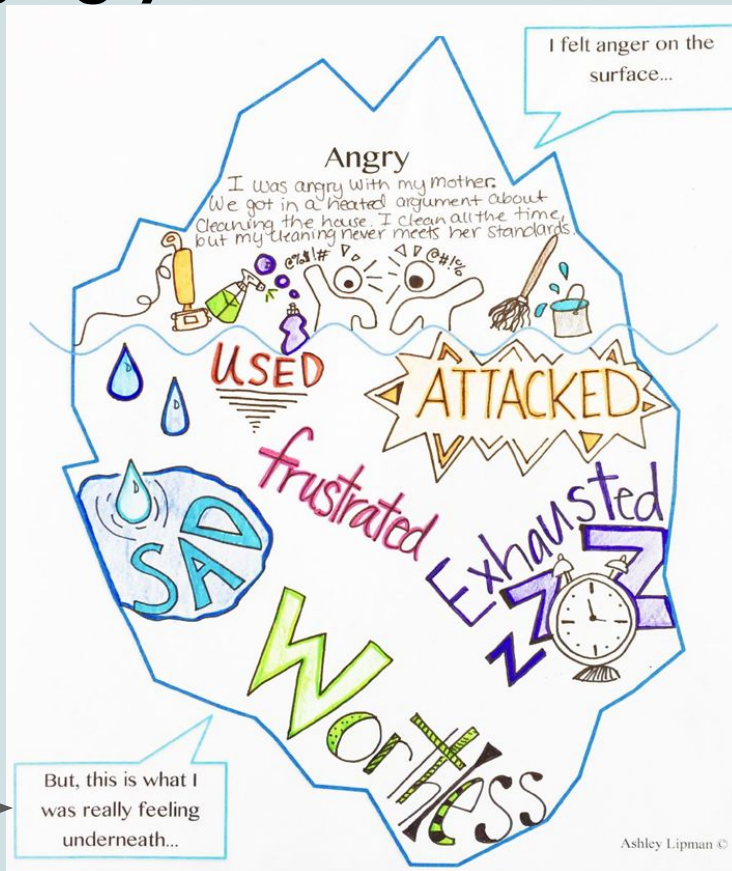

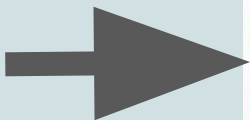

Cornerstone Curriculum: Managing your emotions

In our Cornerstone curriculum this week, we explore our emotions.

Research shows there are three parts to our emotions. Can you guess what they are?

We will unlock these in our session this week along with discussing the Emotions Iceberg

Cornerstone Curriculum: Managing your emotions

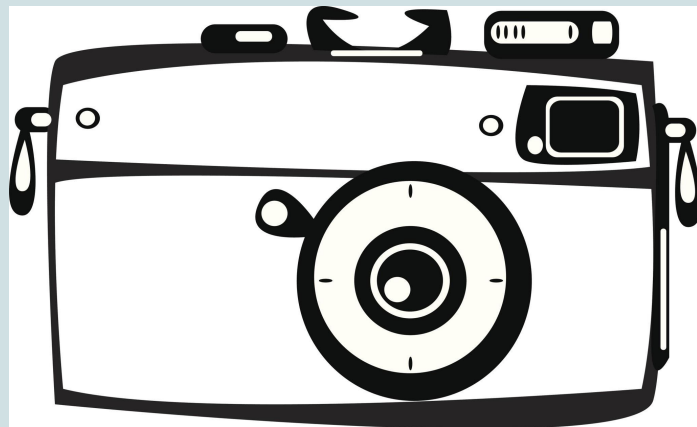

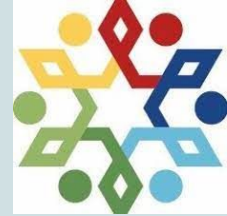

Year 10 Photos:

A reminder that it is individual photos on Tuesday 23rd September.

Students will be informed of the exact timing of these via their year team.

All students must ensure they are in full school uniform, without jewellery and are mature and respectful throughout the process.

Opportunity - Enrichment Timetable

We are delighted to announce that our full enrichment offer will be available to view on our website from today.

What knowledge have I already acquired that I don't already have that I need for this unit?
• Key concept of abuse of power and status, class systems and poverty studied with the Tempest, thoughts and crosses and The Hunger Games
• The definitions of hierarchy and prejudice
What new knowledge will I acquire?
• The plot, characters and themes in the play
• Key concepts of nature vs nurture, class hierarchy and abuse of power
• Thatcherism and the impact of politics on society
• Definitions of essential vocabulary
• Recall of key essential quotes
How will I apply my knowledge?
• Write about how characters and themes are presented and how they develop over a text
• Find specific examples and quotes from an extract
• Make accurate inferences
• Analyse what language or structural choices suggest
• Make specific and relevant links to the context
• Justify and evaluate why the writer develops the plot, characters and themes in

Year 7 – Algebraic thinking... Sequences

What knowledge have I already acquired that I need for this unit?

- Generate and describe number sequences

What new knowledge will I ACQUIRE?

- Continue both linear and non-linear sequences
- Term to term rules for linear sequence
- Find missing terms in a linear sequence

Keywords

- Sequence
- Term
- Position
- Rule
- Linear
- Non-linear
- Difference
- Arithmetic
- Geometric

How will I APPLY my knowledge?

Describe and continue a sequence diagrammatically

Count the number of circles or dots in each image

1 3 5

What will the next number be? Can you draw it?

Sequence in a table and graphically

Position: The plot is the sequence

1 2 3

Term: the number or value the number of squares in each image

3 5 7

Graphically

Because the terms increase by the same addition each time this is linear - an arrow in the graph

Continue Linear Sequences

7, 11, 15, 19...

How do I know this is a linear sequence?

- Increases by adding to each term
- How many terms do I need to make this conclusion?
- Is there a 'term to term rule' (one difference out of this difference is constant, is common difference)
- How do I continue the sequence?
- You continue to repeat the same difference through the next positions in the sequence

Continue non-linear Sequences

1, 2, 4, 8, 16...

How do I know this is a non-linear sequence?

- Increases by multiplying the previous term by 2 - this is a geometric sequence because the difference is multiply by 2
- How many terms do I need to make this conclusion?
- Is there a 'term to term rule' (one difference out of this difference is constant, is common difference)
- How do I continue the sequence?
- You continue to repeat the same difference through the next positions in the sequence

Explain term-to-term rule

Try to explain this in full sentences not just with mathematical notation

Use key maths language - double, halves, multiply by two, add four to the previous term etc.

To explain a whole sequence, you need to include a term to begin at

4, 12, 20, 28, 36, 44, 52, 60, 68, 76, 84, 92, 100, 108...

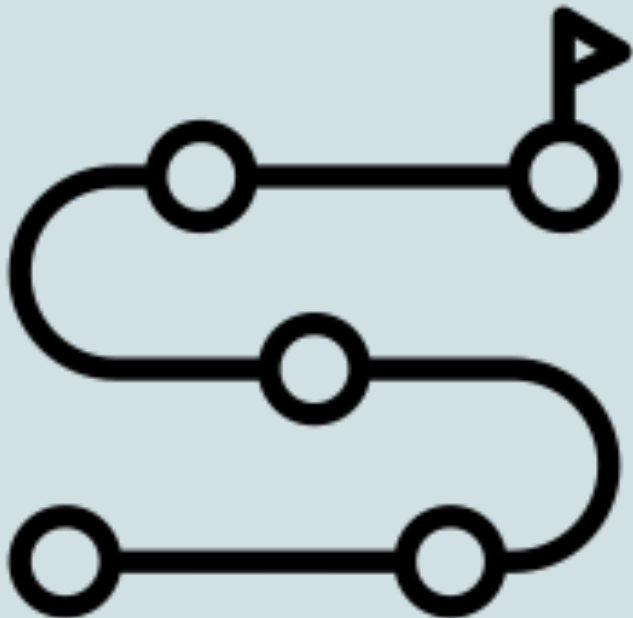

'Essential Knowledge Sheets'

In every subject area, you will be given an 'essential knowledge sheet' at the start of each unit of work. You'll recognise it as they are all on purple paper.

These sheets are REALLY important as they tell you all the essential knowledge you will ACQUIRE and APPLY in each subject this HT.

As the unit of work develops, you will be asked to reflect on what 'essential knowledge you have learned and what you will have to go back and look at again.

Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

Moving forward, you will be reminded when these are coming up in these messages.

Respect: UNCRC Article of the week

On Friday, 26th September, it will be **European Day of Languages**. This is an opportunity to think about the importance of knowing about and celebrating different national identities because a key part of our national identity is the language/s we speak.

Discuss: Why is it important to celebrate features of people's identity, such as their ethnicity, language, religion, sexual orientation amongst others? What more could be done in our society, in your school, or by you as an individual to protect and celebrate these aspects of people's identity?

Article 7 – birth registration, name, nationality, care

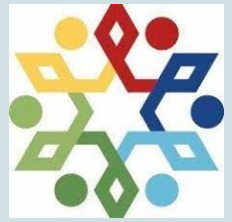

Every child has the right to be registered at birth, to have a name and nationality, and, as far as possible, to know and be cared for by their parents.

Article 8 – Protection and Preservation of Identity

Every child has the right to an identity. Governments must respect and protect that right, and prevent the child's name, nationality or family relationships from being changed unlawfully.
