

The Kingsway School Broadway Key Messages

Welcome Address

Good morning everyone, and welcome to week 5, which sees the end of our first month in school. This week, we want to celebrate one of the things that makes our school so special: our diverse community. We come from different backgrounds, cultures and families, and each of us brings something unique. Diversity is something we celebrate at TKS—it makes our school stronger, more interesting and a better place to learn.

This idea links directly to two of our key values: compassion and respect. Compassion means showing kindness and understanding, especially to those who may have different experiences to our own. Respect means valuing everyone's identity, culture and perspective. When we live these values every day, we create a school where everyone feels welcome and included.

Over the coming weeks, there are some important national initiatives that help us reflect on these ideas and you will hear about some of them in your assemblies. October is Black History Month, a time to learn about and celebrate the achievements of Black people past and present. It's also ADHD Awareness Month, which reminds us to recognise and support those who may learn and think differently. Finally,, we'll also be marking Hate Crime Awareness Week, which highlights the importance of standing together against prejudice and discrimination.

Each of these moments is a chance for us to stop, think and celebrate the rich diversity of our school and wider community. By embodying our core values of compassion and respect every day, we don't just take part in these initiatives—we live them.

Let's all continue to make our school a place where everyone feels proud to be themselves. Have a great week. Mr Sadler.

Something to think about this week...

ADHD Awareness Month is observed annually in October to educate the public about Attention Deficit Hyperactivity Disorder (ADHD) and reduce the stigma surrounding it.

- **Purpose:** To increase public understanding of ADHD, highlight the challenges faced by those with the condition.
- **Who is Affected:** ADHD is a common disorder that affects individuals of all ages, from childhood through adulthood.
- **Common Misconceptions:** The month serves to dispel misunderstandings about ADHD, which is often mistaken for a mental health or learning disability, but is actually a neurodevelopmental disorder affecting behavior, concentration, and other aspects of daily life.

We are very proud of our praise culture and it's amazing to see how many of you are collecting positive points!

Whole school positive logs so far are as follows:

- Year 7 — 27,282
- Year 8 — 24,410
- Year 9 — 29,823
- Year 10 — 19,013
- Year 11 — 24,126

ON BROADWAY, WE ARE EXTREMELY PROUD OF YOU ALL BUT A SPECIAL CONGRATULATIONS TO YEAR 9, WHO HAVE THE HIGHEST TALLY FOR POSITIVE POINTS ACROSS THE SCHOOL.

Cornerstone Curriculum:

What does mutual respect in our diverse community look like ?

ESSENTIAL KNOWLEDGE

Mutual respect is the **reciprocal** regard for the feelings, wishes or rights of others. In contrast, **tolerance** is the willingness to accept behaviour and beliefs that are different from your own, although you might not agree with or approve of them.

Visual Prompt

Balcony concerts illustration to show solidarity, generosity, creativity between people even with social distancing.

Respect your environment

Continue linear sequence

How do I know this is a linear sequence?

- I increase by adding the same amount

How many terms do I need to make this conclusive?

All four terms – "two terms only allow one difference and the difference is constant"

How do I continue the sequence?

I continue to repeat the same difference through the next positions in the sequence

Explain term-to-term rule – now you get lost here with mathematical notation

To try explain this in full sentences not just with mathematical notation

To explain a whole sequence – includes, halves, multiply by 2, and add 4 in the previous term

To explain a single term, you now need to make a term to begin with

1, 2, 4, 8, 16...

Continue non-linear sequence

How do I know this is a non-linear sequence?

- I increase by multiplying the previous term by 2 – this is a geometric sequence

How many terms do I need to make this conclusive?

All four terms – "two terms only allow one difference and the difference is constant"

How do I continue the sequence?

I continue to repeat the same difference through the next positions in the sequence

Explain term-to-term rule – now you get lost here with mathematical notation

To try explain this in full sentences not just with mathematical notation

To explain a whole sequence – includes, halves, multiply by 2, and add 4 in the previous term

These sheets are REALLY important as they tell you all the essential knowledge you will ACQUIRE and APPLY in each subject this HT.

As the unit of work develops, you will be asked to reflect on what 'essential knowledge you have learned and what you will have to go back and look at again.

Opportunity - Form Captain

Form Captain – Roles and Responsibilities

Form Captains will:

- Remind class about important events
- Assist during registration
- Maintain classroom noticeboard
- Check standards of cleanliness in the classroom
- Obtain feedback from the form and attend JLT meetings
- Encourage class to aim for excellent attendance and punctuality.

What qualities are needed in the student?

- Reliable and responsible
- Willing to help others and support members of their form
- Good communicator
- Confident
- Role models

Apply Now to Be a Form Captain!

Are you someone who enjoys helping others, sharing ideas, and leading by example? Becoming a **Form Captain** is a brilliant opportunity to:

Represent your form and share student voice at meetings

Build confidence and leadership skills

Make a real difference to school life

Work closely with your tutor and classmates

Boost your CV and applications for college, jobs, or student leadership roles

If you are reliable, enthusiastic, and ready to take on a challenge, we'd love to hear from you!

Apply using the **application form via the link below** or on the **Frog Year Group Noticeboard** by Friday 3rd October.

<https://forms.gle/FN8Zc681MFXJty887>

Opportunity - Junior Leadership Team (JLT)

Form Captains will not only represent their tutor groups but also come together to form a Junior Leadership Team (JLT) within each year group. This structure ensures:

Stronger Student Voice – Every form has a representative at the table, meaning all students have the chance to share their ideas, raise concerns, and celebrate successes.

Year Group Collaboration – By bringing all Form Captains together, the JLT creates a space for teamwork across forms, helping to build a stronger sense of year group identity and community.

Leadership Development – gain practical experience in communication, decision-making, problem-solving, and teamwork – skills that will benefit them both inside and outside of school.

Impact on School Life – The JLT provides valuable feedback to staff, contributes to school events, and helps shape initiatives that improve the school experience for everyone.

Pathway to Senior Roles – Being part of a JLT gives students a stepping stone into wider school leadership opportunities such as Prefects, Heads of House and Head Student in later years.

Love To Read - Broadway

What a great start to the term, with so many books being borrowed enjoyed, particularly by Year 7! Can Year 8 or 9 catch them up?

- **Come in and explore the shelves. There's something for everyone, including fantasy and science fiction from J. K. Rowling, Suzanne Collins and Holly Black to contemporary/realistic fiction from John Boyne, John Green and Alice Oseman!**
- **Mindful table activities continue with leaf designs, which will be added to our library leaf streamers. We need lots of leaves, so please join in!**
- **A gentle reminder to return books that are due back, please. You can either drop them in the book return basket or hand them to Miss Bird.**
- **VERY IMPORTANT - Please remember our library rules so that this a safe and welcoming environment for all to enjoy. Thank you.**

Reading Opportunity Year 9 Book Club

- Do you enjoy reading?
- Would you like a chance to meet up with others to discuss a shared read?
- In year 9 , there is an opportunity to join the Year 9 Book Club. We meet twice a half term. Session 1 to decide which of our book selection we are going to read and Session 2 to meet and discuss what we think of the book – enjoyed or not . It is very informal!

Our first meeting will be Wednesday 1st October in B14

Depending on the numbers - we have copies of the books for you to borrow.

Look forward to seeing you then - Mrs Bentham

Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

Moving forward, you will be reminded when these are coming up in these messages.
