# The Kingsway School Broadway Key Messages

# Welcome Address

As we begin another week, I'm delighted to say that we have another extremely positive week on Broadway - once again 98% of all points being awarded are positive. It has been lovely to walk around the campus and see how calm and learning focused it has felt: KEEP UP THE GREAT WORK.

This week, your assemblies will focus on our school's core value of 'compassion'. At TKS, we always consider how our actions affect others and we strive to have a positive impact on the world around us. This is even more important when people are facing hardship and you will find out how you can actively practice the value of compassion in the coming weeks.

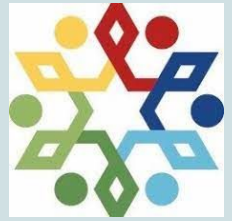

Also this week, we are excited to share our full 'enrichment offer', meaning that you will find out about all the extra things going on around school that you can get involved in!

Here's looking forward to another positive week.

Mr Sadler

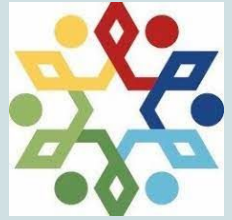

# Big Wins

**557** students still only have positives on their class charts pie which means it is fully green and they have not had a single negative so far. Well done on embracing our TKS values. What an incredible start to this term!

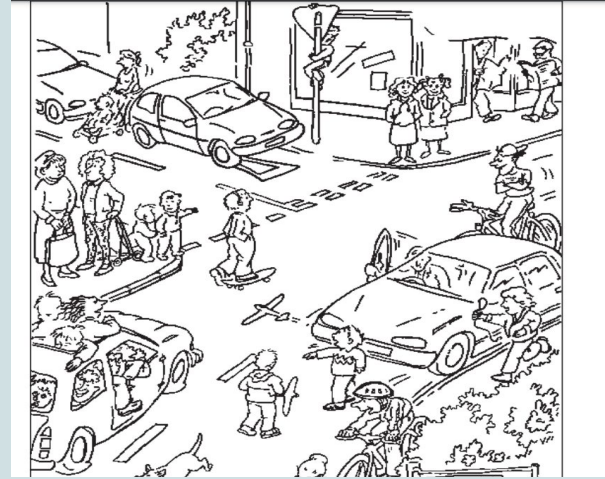

# Ready-Respect-Safe Expectations

We will be capturing how you travel to school this week in a short form time survey.

It is important that you have a safe route if you are walking or cycling to school.

This cartoon contains some hazards so remember:

- Use the pavement and keep visible so all cars can see you.
- Wear a helmet if you are cycling to school.
- Represent TKS on your route home respectfully.

(Remember our school is located close to lots of primary schools and some children who walk similar routes to you are very young (as young as 3 years old).

# Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

**Moving forward, you will be reminded when these are coming up in these messages.**

# Respect

## Are you respectful of our canteen?

Our canteen is an important space for all students during break times and is a busy area each day.

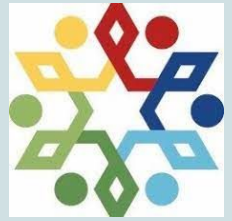

A reminder of the key rules:

- Line up sensibly and wait to be called to the serving area.
- Sit on the benches (don't stand as it blocks the queue).
- Put any rubbish in the bin as you leave.
- Chat sensibly.
- Follow the instructions of the staff members on duty.

# Compassion

Worryingly, we heard reports last week of unkindness towards younger students on the school bus.

We remind you that:

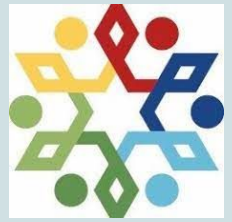

- Insults
- Swearing
- Threats
- Mocking

... are serious behaviour incidents that will be sanctioned in school, on the journey to and from school and online.

**Always be kind and if you see unkindness, tell an adult.**

# Compassion

The Anti-bullying  
Ambassadors meet on  
Wednesday lunch times:

**Red week Broadway - B1**

**Blue week Foxland - F2**

If you are interested  
in becoming an  
ambassador, please  
come along.

Remember, we do  
not tolerate bullying  
at TKS. If you witness  
unkindness, tell a  
member of staff or  
report on Whisper.
