# The Kingsway School Broadway Key Messages

# Welcome Address

Good morning and welcome back to another week on Broadway. There has been plenty going on this half term and this upcoming week is another busy week.

Our assembly this week is a continuation of last week's 'Black History Month' assembly but this week it will be delivered by our Student Leadership team who have been working hard to prepare a memorable and informative assembly.

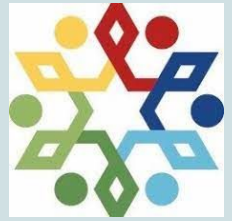

You will also notice that our 'achievement' section now contains information about upcoming 'milestone assessments'. This is so you can prepare for them and get into great habits that allow you to achieve your full potential at TKS.

Lastly, you will notice that we are also keeping a count of the number of hours we are reading collectively on the Sparx platform. For many of you, it won't be the only reading that you do. Reading is one of the best things you can do to boost your grades so it's impressive to see how much has been done already. Keep up the good work!

Mr Sadler

# Big Wins

## **253 positives awarded for attending an Enrichment Activity.**

This is a great start of the first half-term and highlights how good it is to have interests outside of the classroom.

A particular well done to all who participate in Kingsway Active. The reports are in that both the Year 7 and 8 Netball team and the Year 7 football team made us proud!

Don't forget to check out our Enrichment timetable as there are lots of new interests coming up this week.

# Big Wins

SPARX READER measures the amount of 'careful reading' we do collectively as a school. So far this year, you have read for:

## 673 Hours

And

## 175 Books

**A great start to the year!**

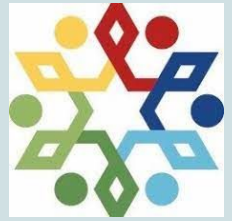

The more that you read,  
the more things you will know.  
The more that you learn,  
the more places you'll go.

# Ready-Respect-Safe Expectations

The challenge for the this week is for all KS3 students to be on time for every lesson. Lining up with your class and being greeted by your teacher is how you want to join the lesson.

If you arrive late you will miss the SMART Start to the lesson and the Do now activity which will help you to understand the learning objectives for the lesson.

The " Be on Time" rule is there so all students and teachers can have a SMART start to their lesson. It is therefore important to remember the following:

- You should not go to the toilet during lesson changeover.
- ,Move on the left and with purpose from one lesson to the next.
- Line up sensibly outside the classroom to be greeted by your teacher.

# Ready-Respect-Safe Attendance

Good Attendance means being in school at least 95% of the time. This means having no more than 8 days off school.

EVERY day in school matters.

# Cross Country @ Hazel Grove High School

## Wednesday 9th October

The following have been selected to represent Team Kingsway at the Stockport Schools Cross Country Championships taking place on **Wednesday 9th October at Hazel Grove High School (HGHS)**

If you cannot or do not want to attend please let me know ASAP so I can ask another pupil.

Pupils should meet at the PE changing rooms on Broadway at period 5 (3pm) and be ready to get on the minibus for 3.15.

The minibus will take pupils too and from HGHS and will return Broadway Road at approximately 5.45.

You will need your PE kit and running shoes. We do have some cross country 'spikes' that can be borrowed but sizes are limited. In the past the course has been very wet and muddy so please be prepared for this and have a warm jacket/item of clothing to put on after the event in case it is cold and wet.

We only have 15 places on the minibus, if you are not selected for this event you can still be selected for future cross country and athletics events.

# Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

**Moving forward, you will be reminded when these are coming up in these messages.**

# Respect

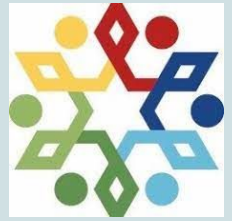

When you are relaxing at social times, it is very important that you are respectful to other students and staff.

Remember it is very important that we give each other personal space. This is because you might upset, annoy another person if you “have them in a headlock” as a joke or tackle them roughly in a sports game you are both participating in.

The hula hoop measure will allow you to always ensure that you are respecting the personal space of others. If you feel that you are not having your physical, personal space respected please speak to a break duty colleague or your HOY.

# Compassion

World Mental Health Day is this Thursday.

- Show compassion to your peers by telling an adult if you are worried about them. At TKS you can do this through Whisper.
- Show compassion to yourself by recognising positives. Try this by privately reflecting on:

... you are  
good at

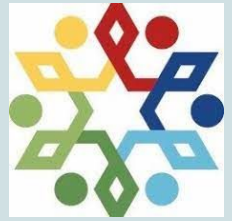

... you are  
proud of

... that make  
you happy

# Open Evening

- Open Evening will take place on the Broadway campus between 5pm and 7.30pm on Thursday 10th October.
- There will be an early close for students after Period 3 (12:20pm), so that staff can set up.
- Please use the canteen Break 1 as there will be no Break 2 service.
- We have notified bus companies who have adjusted the timings of services accordingly.
