

Daily review is an important component of instruction. It helps strengthen the connections of the material learned. Automatic recall frees working memory for problem solving and creativity.

Key Stage 3 Daily Review: Monday

Spotlight Knowledge: The Holocaust

Today is Holocaust Memorial day. This year marks the 80th anniversary of the liberation of Auschwitz-Birkenau, the largest Nazi concentration camp. You will study the Holocaust in your Year 9 History lessons.

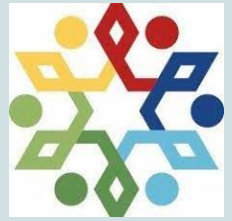

Holocaust	The systematic torture and murder of approximately six million European Jews and millions of other “undesirables” by the Nazi regime from 1933 to 1945.
Genocide	Specific intent to destroy a national, ethnic, racial or religious group by killing its members.
Dehumanisation	The process of depriving a person or group of positive human qualities. Before the Holocaust, the Nazis dehumanised Jewish people.
Indoctrination	Teaching a person or group to accept a set of beliefs uncritically. German citizens were taught to believe that Jewish people were subhuman and to blame for the problems in Germany.
Concentration Camp	Jewish people were sent here and forced into long hours of hard, physical labour. Some of these camps later became extermination camps at which Jewish people and other ‘undesirables’ were gassed to death.
Bystander	Those who did not actively participate in the persecution of Jewish people but did not speak out against it or offer help to Jewish friends and neighbours.

The Kingsway School Broadway Key Messages

Welcome Address

Good Morning. There has been lots going on in school over the past week or so. In the last week or two, you will have all heard about the launch of your 'Kingsway Cultural Diploma', your up and coming 'Mid-Term' reports and our Year 9s even heard about their upcoming options choices. It's worth us taking a moment about how our assemblies and key messages help us to achieve our school's core values:

Opportunity: Our 'Cultural Diploma' challenges you to take up our wide range of enrichment opportunities as well engage in cultural opportunities in and out of school.

Achievement: Your 'mid-term' report will let you know how you are doing in school academically and will allow you to set targets to get to the next level and achieve your full potential.

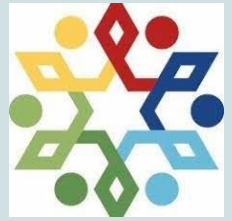

Respect: As part of our work around 'respect', you will have an assembly this week to promote LGBT+ History month. Respecting 'Protected Characteristics' is one way in which we can uphold both our school's values and British Values.

Compassion: The community element of our 'Kingsway Cultural Diploma' will encourage you to do something for your community. That may be something for charity or even something to make our school a better place to be.

This week in form time, you begin planning your route to your 'Cultural Diploma' and you will receive your Mid-Term report in the coming week or so. Have a great week.

Mr Sadler.

Big Wins

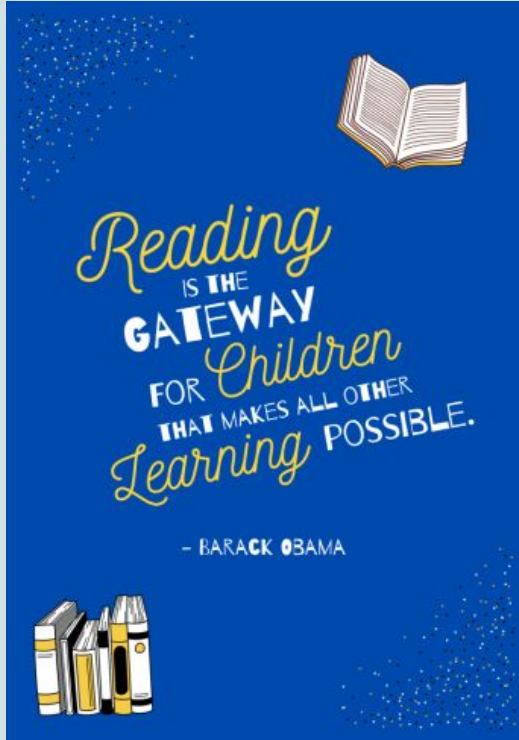

A huge well done to **Year 9** who have received a range of key information last week to support them in their transition to KS4. Broadway Hall was packed full of Year 9 students and their families on Thursday evening as they came to campus to find out more about the options process.

We are very proud of how our Year 9 students are digesting such important curriculum content in order to choose their options at KS4.

Morning Line up happens daily at **8.30am**. This is our welcome to school routine.

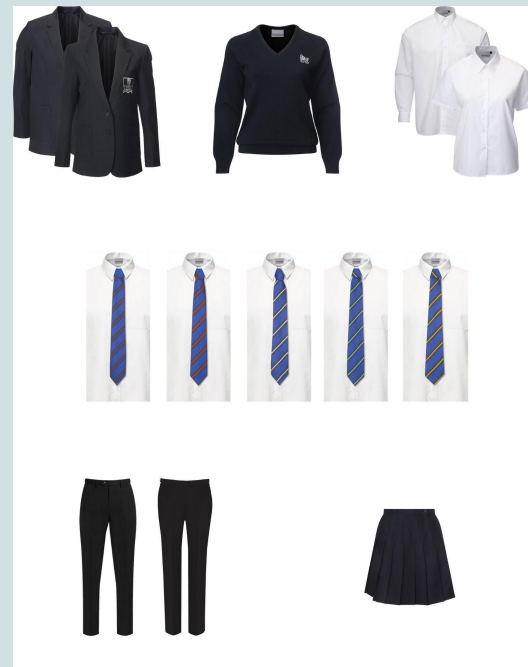

The green gates open from **8.00am** and are staffed by your year team so if you arrive early, please come onto campus and chat with friends.

At **8.20am**, you can meet your form tutor in morning lines.

You need to line up alphabetically and keep your planner and pencil case visible so your form tutor can check as they say hello to you.

Your form tutor will check that your uniform is worn correctly (including skirts as they are designed to be worn).

Our uniform and equipment expectations are high because it is a visible indicator that we are ready to learn.

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

Moving forward, you will be reminded when these are coming up in these messages.

THE KINGSWAY SCHOOL

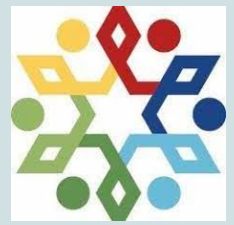

Show and Tell is a chance for students share their work with Mr Sadler and their year team at break 1. The next one is **Year 7** which is this **Wednesday**. Be sure to ask your teachers for your exercise books so you can decide which subject/book/piece to showcase.
