

01 DAILY REVIEW

Daily review is an important component of instruction. It helps strengthen the connections of the material learned. Automatic recall frees working memory for problem solving and creativity.

Key Stage 3 Daily Review: Monday

Spotlight Knowledge: This Half Terms Key Terminology

Computing

Can you recall the following terms?

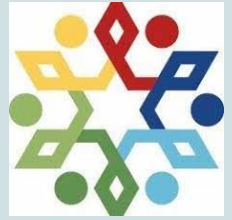

Variable	Place in a computers memory to store data
Selection	When a computer programme asks a question to decide what to do next
Repetition	Way of telling the computer to repeat instructions
Debugging	Working out why the codes in your codling aren't working
Sequencing	Giving a computer a set of instructions in the correct order

The Kingsway School Broadway Key Messages

Welcome Address

I cannot believe that we have already reached the last week of this half term. This means that we are already halfway through the academic year. Last week, you will have got your mid-year reports and this week, we will be celebrating individuals in our rewards assemblies.

Whilst each of us have our own individual success, it's also important to consider what we have achieved collectively as a community here on our Broadway campus:

- 97% of all achievement points are positive
- Over 90,000 points have been awarded for 'Good Learning'
- Over 80,000 points have been awarded for 'Good Attitude'
- Over 10,000 'Star of the Lessons' have been awarded
- More than 4,000 hours have been completed on Sparx Reader

The numbers are impressive and I'm hoping that in the second part of the year that we will continue to go from strength to strength. All these positives will prepare you for a successful future beyond school and this is something we will be looking at in detail next Half Term. As a taster this week, we are going to celebrating 'Apprenticeships Week' and you will be able to consider if taking this route into work is right for you! Have a great week.

Mr Sadler.

Big Wins

“The thing that made the event so successful was the brilliant attitude and effort of your amazing young leaders. They were mature, took initiative and led the activities really well. They set a great example to the younger children and were a total credit to both you and Kingsway. I look forward to having them support events in the future.”

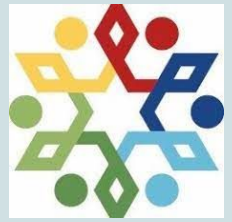

(A quote from Mr Myring: Head of Football, Flag Football)

This was an observation from a colleague at a Sports Programme where our Young Leaders (Year 7 students) led a session last Thursday.

We are incredibly proud of them and they will receive a special mention in their Celebration Assembly tomorrow.

Ready-Respect-Safe

“Springing back, inclined to return to the original position”.

This is the etymology of the word Resilience.

- It is important that you remain resilient this week.
- This means remembering the high expectations of TKS as we complete our final week of the half-term.
- It should include you continuing to follow our Ready, Respect, Safe rules at all times.

Ready-Respect-Safe Attendance

Attending school every day is important and everyone should aim to get 100% attendance.

To celebrate good attendance merits and prizes will be issued every week, every half term and every term.

100% attendance for a week: merits and entry to a weekly prize draw, one for each year group.

The top 3 forms in each group will receive extra merits.

100% attendance for a week: entry to a half termly prize draw.

ATTEND! AIM HIGH! ACHIEVE!

Ready-Respect-Safe Attendance

95%	=	47 LESSONS MISSED EACH YEAR 8 days in total or 1 week and 3 days
90%	=	95 LESSONS MISSED EACH YEAR 16 days in total or 3 weeks and 1 day
85%	=	142 LESSONS MISSED EACH YEAR 24 days in total or 4 weeks and 4 days
80%	=	190 LESSONS MISSED EACH YEAR 32 days in total or 6 weeks and 2 days

ATTENDANCE MATTERS

**WHAT DO YOUR
ATTENDANCE
FIGURES
ACTUALLY MEAN?**

What was your attendance last term?

How many lessons have you already missed?

Every lessons counts

Ready-Respect-Safe Attendance: Year 7

Your attendance in school is extremely important if you are to reach your potential.

Each member of the form with 100% attendance last week will receive merits

Well done to 7HDA

Each week the form with the highest attendance will receive extra merits

Who will win next week?

Ready-Respect-Safe Attendance: Year 7

Congratulations to 7SCH for the biggest improvement in attendance last week in their year group. An increase of 13.6% compared to last week.

Well done!

Attending school every day is important.

Ready-Respect-Safe Attendance: Year 8

Your attendance in school is extremely important if you are to reach your potential.

Each member of the form with 100% attendance last week will receive merits

Well done to 8SMA

Each week the form with the highest attendance will receive extra merits

Who will win next week?

Ready-Respect-Safe Attendance: Year 8

Congratulations to 8JDI for the biggest improvement in attendance last week in their year group. An increase of 7.1% compared to last week.

Well done!

Attending school every day is important.

Ready-Respect-Safe Attendance: Year 9

Your attendance in school is extremely important if you are to reach your potential.

Each member of the form with 100% attendance last week will receive merits

Well done to 9CCO

Each week the form with the highest attendance will receive extra merits

Who will win next week?

Ready-Respect-Safe Attendance: Year 9

Congratulations to 9CCO for the biggest improvement in attendance last week in their year group. An increase of 10.4% compared to last week.

Well done!

Attending school every day is important.

Ready-Respect-Safe Attendance

Every Friday there is a prize draw for each year group to celebrate good attendance.

Every student who has 100% attendance for that week is entered into the draw.

Winners for KS3 were:

Year 7- Wilf M

Year 8- Daania M

Year 9- Amelia W

Every week names of students who have 100% attendance are entered into a bigger prize draw that takes place every half term. You must be in school to have a chance of winning.

Opportunity - Student Leadership

Well done to our Year 9 Student Leaders who took part in last week's Stockport Youth Summit at the Town Hall. It was a fantastic event with all Secondary Schools in Stockport in attendance discussing and debating how mental health and wellbeing can be improved across the borough.

There will be a Student Leadership Team meeting for the Y9 team and Year 8 Prefects this Thursday in B19a at 3.15pm.

Opportunity - Safer Internet Day

Tuesday 11th February is Safer Internet Day. In preparation for this, students will discuss this very important topic in an aid to raise awareness of the importance of responsible internet use and how to stay safe in an increasingly digital world.

As part of our commitment to online safety, we are also sharing a selection of useful posters and information that highlight key advice for safer internet use. We believe these will be particularly beneficial for parents and carers in supporting their children's online experiences.

We encourage all families to take a moment to discuss online safety at home and reinforce the messages delivered in school. By working together, we can ensure that our students navigate the digital world with confidence and care.

Stay safe online, and let's continue promoting positive digital habits! There are three helpful guides below you can zoom in if you are viewing on your phone - we will be able to share more guides in future weekly updates.

Opportunity

National Apprenticeship Week takes place this week (10th -16th February 2025), with people from across the country being asked to get involved by sharing the good work apprentices do.

National Apprenticeship Week highlights how apprenticeships are an excellent option to consider for young people wishing to start a career.

At TKS we will be participating in National Apprenticeship Week by raising awareness of apprenticeships during tutor time. Key Stage 3 students will participate in two sessions: -

1. What are apprenticeships?
2. Are apprenticeships right for me?

Love to Read: Broadway

Library activities this week: Please come along and join in!

- **Inklings Club** - Calling all budding wordies and writers! Word challenges and writing challenges continue on Tuesdays 3.15 – 4 pm
- **KS3 Book Club:** Please come to B14 on Wednesday 12th Feb , Break 2, to discuss “ A Monster Calls “ and choose our new read for next half term.
- **More book-themed mindfulness colouring** - plus a new circles-doodle challenge!
- **Students can borrow a new book for over the holiday or extend their book loan** - please pop in to see Miss Bird if your book is due back :)

World Book Day - Thursday 6th March

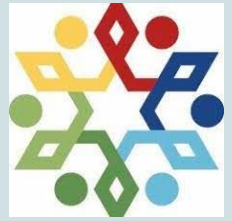

March 6th will be World Book Day and as we did last year , there will be lots of opportunities across the school to share a love of reading.

As part of our celebration of reading why not do your favourite story in a jar over the half term?

Use an empty jar and fill it with objects that link to your favourite book. Label it and bring it in to Broadway library after half term to be in with a chance to win a prize and merits for the best ones.

There are examples of ones that were done by our current year 8's last year in the library.

Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

Moving forward, you will be reminded when these are coming up in these messages.

Achievement: KS3 Diploma

All students should have completed their planning sheets and received their KS3 Diploma booklets by now.

All students should inform their form tutor which level of Diploma they are aiming to achieve.

For the knowledge requirement, you have to articulate or produce pieces of work which demonstrate your understanding of the essential knowledge across various curriculum areas from the Daily Review activities.

The Daily Review slides have been sent out to all KS3 students on Class Charts.

Respect

5689

Go on, let's get this number to 6000 this week. The challenge is on as we only have a 4 day week.

Remember having a "Good Attitude" to your learning/peers/staff/campus is one way in which we demonstrate our core value "Respect".

Equates to the total number of positive points gained by the whole of TKS during the final week in January

This was in the category **"Good Attitude"**

If this was divided by the total number of students at TKS, it would mean that every student gained 5 positive points in this area that week!!
