# The Kingsway School Broadway Key Messages

# Welcome Address

We are constantly striving to meet our core values in school. Every assembly, your learning in your lessons and the expectations we have of you in our behaviour policy are all designed to help you to fulfil our core values of Opportunity, Achievement, Respect and Compassion whilst you are in school. Here are some of them:

**Opportunity:** There are 75 hours of enrichment available each week in school. Have you tried any of our lunchtime or after school activities? If not, you should give something a go and try to develop a new interest.

**Achievement:** This week, we will be visiting lessons to look at 'beautiful books'. Keeping your work books organised and presented to a high standard means that you can use your books to revise and commit knowledge to long term memory.

**Respect:** Thinking carefully about the language you use towards others is one way that you can show respect to our school community. We challenge you to speak with kindness and respect at all times.

**Compassion:** Showing understanding for others is one of the most important ways you can show compassion. Your SEAL lessons recently will have outlined how you can tell if someone is feeling down or even dysregulated - showing understanding and compassion at these times can really make a difference to others.

This week's assemblies will have more information on how you can embody our core values each day. Have a great week. Mr Sadler.

The expectation is that if you are inside our building your coat will be off. If it is on it will be confiscated by staff.

You have reported that you would like to see all staff being consistent with our behaviour policy.

Therefore should you choose to wear your coat inside our campus it will be confiscated.

This is one rule for all students and we thank you for respecting it.

Your year team will be tracking this negative behaviour via CC (staff will log it as “Coat Defiance”).

# Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

**Moving forward, you will be reminded when these are coming up in these messages.**
