

Daily review is an important component of instruction. It helps strengthen the connections of the material learned. Automatic recall frees working memory for problem solving and creativity.

# The Kingsway School Broadway Key Messages

# Welcome Address

Leaders in school will often talk to you about the school we want to have in assemblies and our vision for what life should be like on the Broadway campus. A huge part of that is our commitment to making sure that those who do the right things are seen and acknowledged. You will be reminded of this vision on the next slide.

In assembly last week, I spoke to you all about how the foundations of our school's culture are built on our ABCs:

- Attendance
- Behaviour & Culture
- Curriculum

In the weeks leading up-to Easter, leaders in school are going to be actively looking for those of you who get the foundations right all the time. This might mean having an awareness of what makes good ATTENDANCE and why it is important. This might mean upholding our school culture in your classrooms by having a well presented book or listening carefully to your teacher using Kingsway BEES. This might mean being an active learning or discussing your learning effectively with a peer. All of these things will help you to be successful in school. There will be reminders in this presentation about how you can complete your ABCs and reap the rewards. Have a great week.

Mr Sadler.

# What are our values?

... where compassion is valued

... where people **respect** each other

... where doing the right thing is seen, acknowledged and rewarded

... where we hold ourselves to the highest of standards

... where we are **safe** from harm

... where diversity is celebrated

... where we are **ready** for every challenge

... where there is a high value placed on what we learn and what we read

# Big Wins

SPARX READER measures the amount of 'careful reading' we do collectively as a school. So far this year, you have read for:

## 5388 Hours and have read 2168 books!

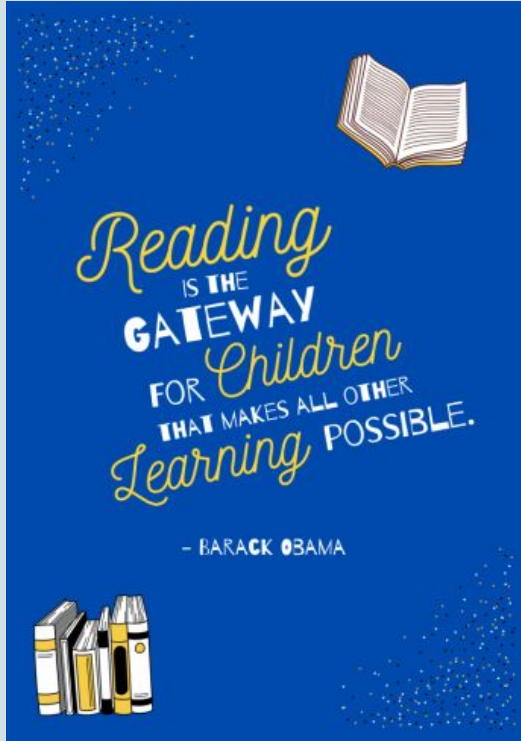

Well done to:

Seth K for achieving GOLD in last week's leaderboard.

Betty A for achieving SILVER.

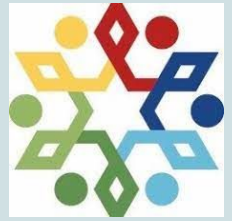

Holly H for achieving BRONZE.

2 weeks in a row!

# Big Wins

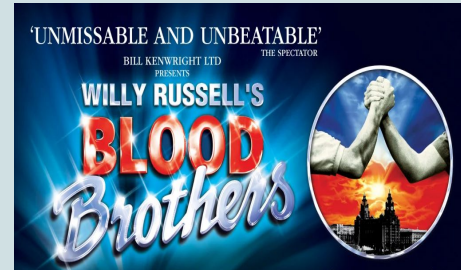

Year 9 students journeyed to Liverpool on Wednesday last week to watch Blood Brothers.

When staff were leaving the venue a member of the public rushed over to them and said:

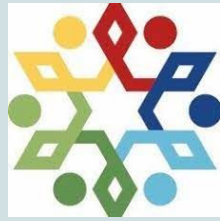

**"These children have been an absolute credit to your school".**

A huge thank you  
To all staff who made this trip possible.

# Ready-Respect-Safe

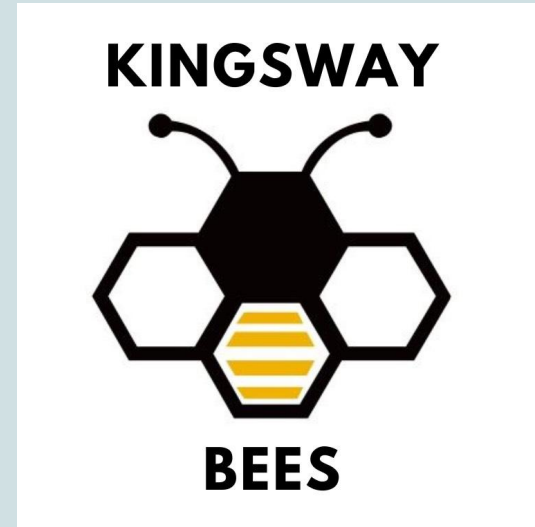

Your teachers will use this phrase regularly in their lessons. You will also be directed to practice this as part of our Assembly routine.

The next slide is clear on the expectations of all students when the instruction “Kingsway Bees” is given.

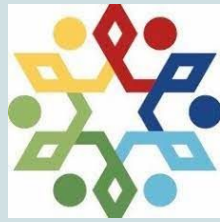

By actively practicing Kingsway Bees, you are clearly confirming your intention to learn in the lesson.

Teachers and Senior Leaders will be rewarding individuals and classes who are actively demonstrating this.

# Safe

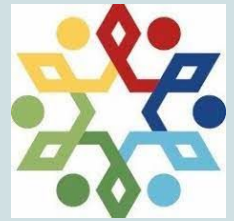

As the days are getting longer, you may be spending longer time out than over winter. Remember these key things to keep you safe:

- Always ensure your parent/appropriate adult knows where you are.
- Ensure you get to school on time, otherwise a text goes home saying you aren't in and parents worry.
- Never accept offers of lifts or gifts from someone you don't know.
- Never reveal personal details (name, age, address etc.).
- Tell someone at home or a teacher if you see or hear anything that worries you or doesn't seem right.

# ABC Recognition

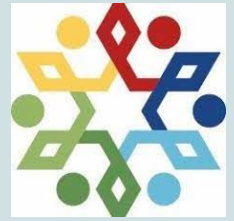

**SLT or people on patrol will visit your lessons.**

**They are looking for your ABCs.**

**The member of staff visiting your lesson will award some pupils in the class with a 'chicken sticker'.**

# Respect

"It's a sign of respect for a place," said Eiji Hattori, 32, a fan from Tokyo, who had a bag of bottles, ticket stubs and other stadium detritus. "This place is not ours, so we should clean up if we use it. And even if it is not our garbage, it's still dirty, so we should clean it up."

(A Japanese fan who helped clean the stadium in Qatar after their 1-0 win to Costa Rica).

# Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

**Moving forward, you will be reminded when these are coming up in these messages.**
