The Kingsway School Broadway Key Messages

Welcome Address

Good morning. Over the last week, it has been excellent to see so many of you getting involved with our 'ABC' initiative and keeping focused on your attendance, behaviour and our school's curriculum. We have so far given out around 800 'SLT Recognition' stickers on Broadway and will be looking to award even more this week. Here are some of the highlights from the week:

Attendance: Lots of you have been able to speak to leaders about what makes good attendance, why good attendance is and even share your own attendance.

Behaviour & Culture: It's been amazing to see so many of you working hard to 'Keep Kingsway Tidy'. We have awarded so many stickers to students looking after our school environment.

Curriculum: Leaders have been going into lessons and seeing many many examples of excellent learning. In lessons over the last week, we have seen excellent examples of paired discussion, students confidently answering questions in class and lots of well presented books.

This week's assemblies will mark 'Autism Awareness Week' and we have a visit from Stockport's Neurodevelopment Team. You will find out how everyone's brain works differently and this means that we all have strengths and challenges to the way we think. By learning about this, it will help us all to be more understanding of each other and support us to embody our school value of compassion in an even stronger way. Have a good week. Mr Sadler.

Big Wins

Mrs Roban and Miss Clarke carried out two KS3 **“Student Voices”** last week with four groups of Year 8 students.

Every student selected to participate in this panel was engaging, informative and articulate in their discussion relating to key matters of importance to our school.

Students reported how they loved our KS3 Curriculum and the variety of subjects they had to study. They highlighted that they liked that Broadway campus is for Years 7-9 and suggested that they were recognised for their achievements in most lessons.

Where they discussed concerns e.g. levels of litter, pace of learning, opportunity to gain positive points, it was noted, discussed further and will be actioned by Mrs Roban and Ms Clarke.

Thank you for helping us celebrate our school and develop it further.

Big Wins

Respect

Senior Leaders are visiting classrooms this week to specifically to observe and praise students who are actively learning.

Part of this is “**active listening**”.

This means being in the **KINGSWAY BEES** position unless you are participating in team based oracy skills.

Your SEAL lesson last week discussed how you could practice active listening skills with peers/teachers/support staff.

Show you care about your learning environment by being an active listener.
