

Key Stage 3/4 Daily Review:(Day 1)

Spotlight Knowledge: Protected Characteristics

The UK Equality Act of 2010 outlined these protected characteristics because:

1. If you have one of these characteristics you are more likely to face discrimination.
2. It is against the law to discriminate because of these characteristics.

The Kingsway School Broadway Key Messages

Welcome Address

Good Morning. I hope you have had a nice weekend and are feeling ready for the week ahead. Last week's assemblies focused on the 'achievement' part of our core values and how this word can mean something different for everyone. If you remember our ABCs from last half term, you can use these as reference point for your achievements:

Achievement in attendance: You should all aim for 95% attendance in every Half Term, for this half term, that would be less than one day off. Achieving this will not only support you to prepare for your upcoming assessments but also gets you a place on our reward trip.

Achievement in behavior: Our school positive point ratio is 95% percent, which shows us that most of you uphold our culture almost all of the time. A 95% positive point ratio is amazing or even simply improving your ratio in the 19 days of this half term might get you on our rewards trip.

Achievement in the Curriculum: The real achievement when it comes to our school's curriculum is learning new things but we also measure achievement using a 5 point system. You should always be aiming to maintain or be working higher than you starting point - this means that you are improving and learning more.

Each day, try to focus on the small things you can do that add up to bigger achievements in your ABCs.

Have a great week. Mr Sadler

Mr Sadler

Big Wins

SPARX READER measures the amount of 'careful reading' we do collectively as a school. So far this year, you have read for:

**6395 hours and have read
2580 books!**

Well done to:
Abid L for achieving GOLD in last week's
leaderboard.
Ibrahim H for achieving SILVER.
Holly H for achieving BRONZE.

Big Wins

5699 - TKSUPERSTARS

Were awarded last week to students who actively displayed a “Good Attitude”. You have been clear that you want uninterrupted learning in your classrooms. Mr Sadler has delivered key expectations, messages and updates in his Core Values Assembly last week.

Your attitude to learning in the classroom, in your attendance to our enrichment activities or in completing your TKS Diploma will directly feed into you being able to achieve your short/long term goals.

Ready-Respect-Safe

This is a week of full sunshine every day which means which means here a some important reminder:

1. Summer uniform applies which includes your blazer. You can of course remove it in the classroom while you are learning.
2. Bring a water bottle to refill at our water station during break 1 or 2.
3. Ensure you have applied sunscreen or bring it in your school bag. The fields are hot!!
4. Take in some shade at break times.
5. Ensure you are adhering to our break time expectations.

Ready, Respect, Safe

The field is a breaktime space which needs to be used sensibly.

It is also a teaching space during periods 1-5 so must remain litter free.

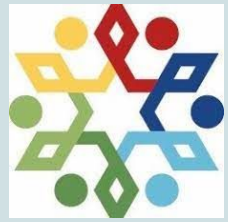

Ensure you are playing sensibly on this space and not rough playing, or making contact with each other.

Stay within the boundary space assigned and ensure you are leaving it as soon as the whistle blows.

Ready, Respect, Safe

Don't be a 'space invader'

It is usual 'social etiquette' or polite to give people adequate personal space.

A good way to judge this is to imagine they have a hula-hoop around them. That is adequate personal space.

Ready-Respect-Safe Attendance

Attending school every day is important and everyone should aim to get 100% attendance.

To celebrate good attendance merits and prizes will be issued every week, every half term and every term.

100% attendance for a week: merits and entry to a weekly prize draw, one for each year group.

The top 3 forms in each group will receive extra merits.

100% attendance for a week: entry to a half termly prize draw.

ATTEND! AIM HIGH! ACHIEVE!

Ready-Respect-Safe Attendance

95%	=	47 LESSONS MISSED EACH YEAR 8 days in total or 1 week and 3 days

Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

Moving forward, you will be reminded when these are coming up in these messages.

Achievement: KS3 Intervention

As part of our ongoing commitment to supporting the academic progress and personal development of all our students, we have identified students that would benefit from additional support through our KS3 intervention programme.

Letters were sent home before half term to families of children who have interventions this half term. Please ask your form tutor if you are not sure whether you have an intervention.

It is the student's responsibility to check if they have an intervention and arrive to their intervention in a timely manner.

On the day of your intervention, please go straight to your intervention room when you enter the school building following morning lines to enable a prompt start to the intervention. Your form tutor will register you.

Wednesday's Revision and Study Skills Session will be in B05 due to an assembly in Broadway.

Respect

One of our school's core values is Respect. Promoting respect for ourselves, to each other in our form group, core class group and main teaching group is very important to every member of our school community.

Being kind to ourselves is a fundamental part of respecting ourselves. It is important to recognise how you feel and the range of emotions you experience daily.

Action:

Track your feelings each day to week. Note how you feel when you wake up, in form time, during the Day and when you get home from school.
