Welcome Address

Good Morning and welcome to the last week of the half term. It's been a short one but packed full of achievements for all of you. Many of you are working hard to meet our rewards criteria by getting a 95% positive point ratio this half term. Good luck in completing this achievement this coming week.

Last week, I spoke to you all in assembly about bullying and was pleased to share that 7 in 10 of you said you would report bullying if you saw it. I want to remind you again that you can share any concerns you have privately by clicking on the 'Report an Issue' button on your online platform, which allows you to report concerns anonymously through our 'Whisper Platform'. You can also use the platform to send in suggestions about how we can further improve how to tackle bullying in school.

This week is also 'Safeguarding Awareness Week'. It's important to us that you feel safe and secure in school and also make safe choices in any aspect of your life. All the adults in our building have a strong commitment to keeping you safe and someone will always listen if you are worried about something. Our key Safeguarding team are mentioned in our 'Daily Review' this week but there are many people you can talk to if you have any concerns about yourself or another member of our school community. Have a great week.

Mr Sadler.

Big Wins

SPARX READER measures the amount of 'careful reading' we do collectively as a school. So far this year, you have read for:

6652 hours and have read 2675 books!

Well done to:

Ralph W for achieving GOLD in last week's leaderboard.

Holly H for achieving SILVER.

Jess P for achieving BRONZE.

Big Wins

Our year 7-9 Sharing/Celebration Assemblies take place this week. This is a chance for students to be congratulated both individually and collectively. Each year team will lead their own assembly, focussing on celebrating the excellent achievement of students in lessons, their approach to their learning and recognising individual students who have embodied our TKS core values this half-term.

Well done in advance to all students who receive a Well done postcard from their year team (along with 4 positive points).

Big Wins

Thank you to all students who bought ice-creams from B33 on Friday. £150.81 was raised for Niamh, Millie and Emily to attend the Camps International Tanzania trip!

Why are routines an important part of our school standards?

ACQUIRE A
KEY WORD:

Routine

DEFINITION:

A sequence of actions
regularly followed.

ETYMOLOGY:

Taken from the french word
“routine” meaning a usual course
of action.

Can you list our school routine for lesson starts/endings?

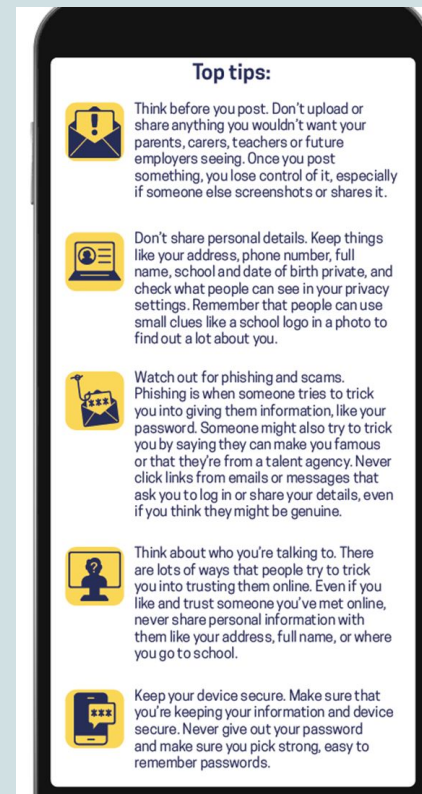

Safe: Safeguarding Awareness Week

This year's Safeguarding Awareness Week theme is:
'Empowering and protecting students in a digital world'.

Do any of these statistics surprise you?

Safe: Tell us your views

The Safeguarding team will be running student panel discussions this week.

There will be two topics:

1. How can we make sure everyone feels safe in school all the time?
2. How safe is your online life?

If you would like to join a panel discussion, email Miss Hulance. If you don't want to join but want to share your views (anonymously if you wish), tell us on Whisper.

Ready, Respect, Safe Assembly: Keys to Success

Much better for many of you...

It is usual 'social etiquette' or polite to give people adequate personal space.

A good way to judge this is to imagine they have a hula-hoop around them. That is adequate personal space.

Don't be a 'space invader'.

Ready-Respect-Safe Attendance

Attending school every day is important and everyone should aim to get 100% attendance.

To celebrate good attendance merits and prizes will be issued every week, every half term and every term.

100% attendance for a week: merits and entry to a weekly prize draw, one for each year group.

The top 3 forms in each group will receive extra merits.

100% attendance for a week: entry to a half termly prize draw.

ATTEND! AIM HIGH! ACHIEVE!

Year 9- Bartosz K

Every week names of students who have 100% attendance are entered into a bigger prize draw that takes place every half term. You must be in school to have a chance of winning.

KS3 Diploma Exhibition

During Break 1 every day this week, you will have the opportunity to see what a completed Diploma portfolio looks like.

The year 10s have kindly loaned their Diploma portfolios and these will be presented at the back of Broadway Hall so you can see the expectations.

Please do not touch the Diploma materials - as you are aware - the year 10s put an incredible amount of effort into putting these together.

Respect

We are all Wonders is a young children's storybook by author RJ Palacio. The book's central character is someone called Auggie.

Watch the short clip containing the book being read aloud.

1. Why is it so important for Key Stage 1 and 2 students to recognise that we are all unique?
2. How could we demonstrate the key principles of this book around our daily interactions as a Key Stage 3 student?
