# The Kingsway School Broadway Key Messages

# Welcome Address

Good Morning. I hope you have enjoyed the weekend and are returning to school today ready for the challenges ahead.

It is an important week for our Year 9 students, who begin their exams this week, starting with English today. They will be sitting them in the Sports Hall on Foxland, which is where our Year 11s have recently completed their GCSE examinations. Following the completion of their exams, Year 9 will complete a 'transition week' on our Foxland campus, where they will find their way around what will become their home for the next two years.

This week on Broadway, we are launching our 'Pride of Kingsway' rewards cards. I have included again some of the slides that were shared in assembly this week. You will get your cards tomorrow and SLT, teachers and our student leaders will be visiting classrooms with our rewards stamps.

A reminder also that for Year 8, the student leadership application form is now open for those of you who have an interest in applying for our Head Student position. There other important roles for student leaders on the Broadway campus so any students who apply for Head Student positions, will be considered for these also. Applications need to be in by THIS Friday (27th July). Good Luck!!

Have a great week. Mr Sadler

Broadway Campus celebrated with huge wins on Friday with our annual **Sports Day**. Records were broken, all students hollered in their spectator role and the whole campus rooted for their friends, form, year group and campus.

A huge thank you to the PE staff and all colleagues who supported this terrific event.

# Ready

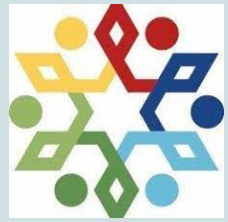

When you arrive at your classroom door line up. This allows your subject teacher to greet you, complete their ready to learn checks and welcome you to the lesson. It also keeps our corridors safe and allows others to move to their next lesson.

**“Be smart as you pass”**

# Safe

Exiting campus at the end of the school day should be done safely. If you are crossing any of our roads near school ensure you look up (away from your phone) when crossing, taking care to cross where it is safe (don't just run across the road) and use our Broadway official crossing and always follow the guidance of staff who are always on duty to help you.

# Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

**Moving forward, you will be reminded when these are coming up in these messages.**
