The Kingsway School Broadway Key Messages

Welcome Address

Welcome back to another week on our Broadway. This week is not your typical week because our Year 9s will be spending the week on Foxland. This means that for most of the week, we will just have Year 7 & 8 on Broadway. The exception to this will be on Thursday 3rd of July, which is our Year 6 induction day. We are looking forward to meeting the newest members of our community and I know you will welcome them warmly.

There are a couple of other important dates coming up for me to remind you of this morning. Firstly, there is our Rewards Trip tomorrow and this presentation has lots of information about this. There is also your upcoming Review Day that you must book an appointment to, even if your parents can't make it.

I will keep this address short in order for you to get all the information that you need.

Have a great week.

Mr Sadler

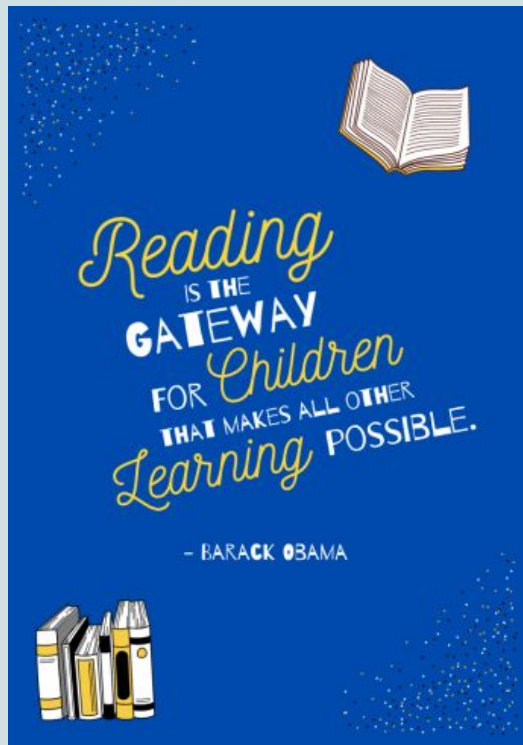

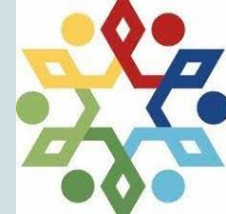

Review Day Appointments

Please remember the following reminders about 'review day' appointments:

- School is partially closed.
- Ensure your parents have booked an appointment.
- **Students should attend even if their parent cannot.**
- If your parent is with you, you can attend online.
- You must attend in school uniform.

The hampers are full of food and treats worth over £50.

Prize Draw days will be announced at random, you have to be in school to be in with a chance to win.

**Be in school

Uniform Consultation

At TKS we are proud of our school uniform, it is one of the ways we demonstrate our pride both in school and in the community. We uphold these high standards as part of our Ready, Respect, Safe curriculum ensuring uniform is worn as it is intended.

We are currently reviewing how we can continue to improve our uniform standards and support students, who have voiced that they feel the need to wear their uniform in a certain way to conform to trends and peer pressure.

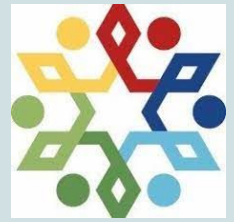

We would like your input informing these proposed changes for September. Please vote for your preferred preference on the form linked below by Wednesday 2nd July.

Big Wins

585 students are participating in our end of year "Rewards Events" tomorrow.

This means they have met our attendance requirements and have a really positive behaviour ratio on classcharts.

Congratulations to all those participating in tomorrow's events. Have an awesome day!

Compassion

Many of us are understandably very worried about events we are hearing in the news at the moment.

[Click the link and scroll down to watch the video 'What's the background to this?'](#)

To help us process our concerns, it can be helpful to think them through in three ways.

Head: What do we know about the attacks and declaration of war? What remains uncertain? What other information would you like to have to help you understand the events better?

Heart: What emotions do these events raise for you? Are there particular moments, images, or stories that stand out to you? If so, why?

Conscience: Who is impacted by the crisis? How are people choosing to respond to what has occurred so far in this crisis, and why?

ANY DISCUSSION ON THIS TOPIC IS ABOUT SOLUTIONS, NOT SIDES.

Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

Moving forward, you will be reminded when these are coming up in these messages.

How your donations help the students

We are very grateful to have received the headphones for our team. This resource will make a significant difference for KS4 students who have been identified as needing reading support during exams.

Curriculum Access, Testing & Examinations

Thank you for approving our bid to pay for a large softbox & two Bowens mount reflectors. Having these pieces of equipment has enabled students to take more photographs independently, further extending their skills & confidence.

Head of Art

On Friday lunchtimes we have approximately 36 pupils from years 7, 8 & 9 taking part in Pickleball.

I also taught year 11's in their lessons before their exams.

Overall, I am very pleased with how enthusiastic the pupils have been towards Pickleball and it's nice to see different pupils attending the clubs.

PE

We are very pleased with the cheerleading mats, thank you! The quality is outstanding; firm enough to provide the support we need for stunts and tumbling, yet soft enough to ensure a safe landing every time. The non-slip surface gives us confidence during fast-paced routines.
