

Daily review is an important component of instruction. It helps strengthen the connections of the material learned. Automatic recall frees working memory for problem solving and creativity.

Key Stage 4 Daily Review: **Monday**

Spotlight Knowledge: **GCSE Physics Equations**

Here are seven equations that you should have learned for Paper 1...

potential difference (V) = current (A) x resistance (Ω)

$$V = I \times R$$

power (W) = current (A) x potential difference (V)

$$P = I \times V$$

current (A) = charge (C) \div time (s)

$$I = Q \div t$$

density (kg/m^3) = mass (kg) \div volume (m^3)

$$\rho = m \div V$$

kinetic energy (J) = 0.5 x mass (kg) x velocity² (m/s)

$$E_k = 0.5 \times m \times v^2$$

gravitational potential energy (J) = mass (kg) x gravity (N/kg) x height (m)

$$E_p = m \times g \times h$$

energy transferred (J) = power (W) x time (s)

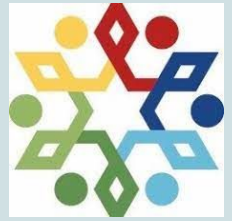

$$E = P \times t$$

The Kingsway School Foxland Key Messages

Welcome Address

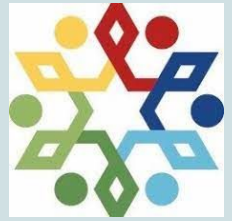

Welcome back to another busy week. In assemblies we will be continuing to celebrate Black History Month where the theme is Reclaiming Narratives. We will be shining a spotlight on untold stories to ensure voices are heard, experiences acknowledged and contributions celebrated. The assemblies this week will be led by our Senior Students.

Last week Parents/Carers were invited into school to hear about how we are supporting students in Year 10 during their journey to GCSE's. On 17th October 5:30pm- 6:30pm Parents/Carers of Year 11 are invited into school to build on the information shared at the end of Year 10.

Please remember that Thursday 10th October is an early finish for our students (12:20pm) as it is our Open Evening.

Have a great week,
Ms Linnecor

Big Wins

Over 5000 merits were awarded last week to Year 10/11 for good attitude and good work.

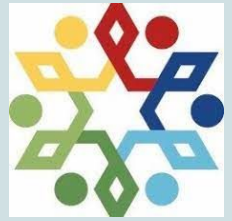

99% of all students in Year 10 and Year 11 were awarded positive merits last week.

Making a positive contribution will result in greater success.
Well done.

Ready-Respect-Safe Expectations

The challenge for the this week is for all KS4 students to be on time for every lesson. Lining up with your class and being greeted by your teacher is how you want to join the lesson.

If you arrive late you will miss the SMART Start to the lesson and the Do now activity which will help you to understand the learning objectives for the lesson and boost your acquisition of knowledge.

The " Be on Time" rule is there so all students and teachers can have a SMART start to their lesson. It is therefore important to remember the following:

- You should not go to the toilet during lesson changeover.
- ,Move on the left and with purpose from one lesson to the next.
- Line up sensibly outside the classroom to be greeted by your teacher.

Ready-Respect-Safe Attendance

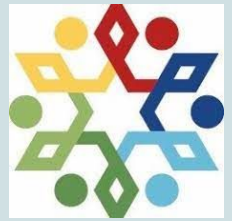

Good Attendance means being in school at least 95% of the time. This means having no more than 8 days off school.

EVERY day in school matters.

Ready-Respect-Safe Attendance

Your attendance in school is extremely important if you are to reach your potential.

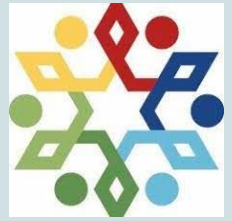

Each member of the form with 100% attendance last week will receive merits

Well done to 10HDU

Each week the form with the highest attendance will receive extra merits

Who will win next week?

Attendance Matters

Congratulations to 10H DU for the biggest improvement in attendance last week in their year group. An increase of 1.4% compared to last week.

Well done!

Attending school every day is important.

Attendance Matters

Congratulations to 11EEV for the biggest improvement in attendance last week in their year group. An increase of 6.2% compared to last week.

Well done!

Attending school every day is important.

Ready-Respect-Safe Attendance

Every Friday there is a prize draw for each year group. Every student who has 100% attendance that week is entered. Winners last week for KS4 were:

Year 10- Ryan M

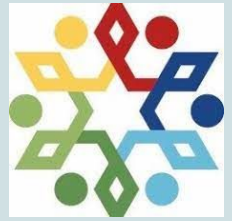

Year 11 - Levi L

Every week names are also entered into a bigger prize draw that will take place every half term. You have to be in school to have a chance of winning.

Opportunity - Open Evening

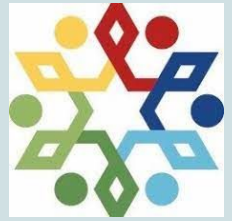

All student leaders (Head Students; Deputy Heads; Prefects) please meet in the canteen on Broadway at 4.45pm this Thursday ahead of Open Evening.

All students who have volunteered to be guides for Open Evening should meet in the canteen at 4.45pm, also.

Opportunity - KS3 Information Evening - Year 7 Social

All student leaders who have signed up to support the Year 7 Social this Wednesday (KS3 information evening on the spreadsheet) - please come to Broadway canteen at 4.30pm.

The evening will start at 5pm and finish at 6pm.

Well done to all pupils who represented Team Kingsway last week!

Some excellent performances from the year 7 and 8 Netball teams with their games vs St James!

We have another busy week ahead of us with the start of the Rugby fixtures and the rearranged Cross Country competition at Hazel Grove High School.

Cross Country @ Hazel Grove High School

Wednesday 9th October

The following have been selected to represent Team Kingsway at the Stockport Schools Cross Country Championships taking place on **Wednesday 9th October at Hazel Grove High School (HGHS)**

If you cannot or do not want to attend please let me know ASAP so I can ask another pupil.

Pupils should meet at the PE changing rooms on Broadway at period 5 (3pm) and be ready to get on the minibus for 3.15.

The minibus will take pupils too and from HGHS and will return Broadway Road at approximately 5.45.

You will need your PE kit and running shoes. We do have some cross country 'spikes' that can be borrowed but sizes are limited. In the past the course has been very wet and muddy so please be prepared for this and have a warm jacket/item of clothing to put on after the event in case it is cold and wet.

We only have 15 places on the minibus, if you are not selected for this event you can still be selected for future cross country and athletics events.

Team Kingsway:

1. Ewan S (Yr 11)
2. Joe A (yr10)
3. George C (yr10)
4. Sam D (yr7)
5. Olivia D (yr7)
6. Fleur L (yr7)
7. Hadley L (yr8)

Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

Moving forward, you will be reminded when these are coming up in these messages.

Achievement: Period 6

Respect

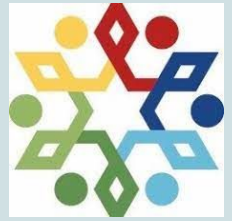

When you are relaxing at social times, it is very important that you are respectful to other students and staff.

Remember it is very important that we give each other personal space. This is because you might upset, annoy another person if you “have them in a headlock” as a joke or tackle them roughly in a sports game you are both participating in.

The hula hoop measure will allow you to always ensure that you are respecting the personal space of others. If you feel that you are not having your physical, personal space respected please speak to a break duty colleague or your HOY.

Compassion

World Mental Health Day is this Thursday.

- Show compassion to your peers by telling an adult if you are worried about them. At TKS you can do this through Whisper.
- Show compassion to yourself by recognising positives. Try this by privately reflecting on:

... you are
good at

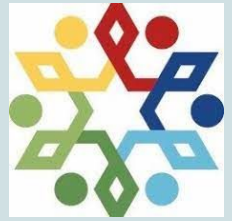

... you are
proud of

... that make
you happy

Open Evening

- Open Evening will take place on the Broadway campus between 5pm and 7.30pm on Thursday 10th October.
- There will be an early close for students after Period 3, so that staff can set up (12:20pm).
- Please use the canteen Break 1 as there will be no Break 2 service.
- We have notified bus companies who have adjusted the timings of services accordingly.
