Spotlight Knowledge: The Kingsway School Vision Statement

A compelling school vision statement is essential as it sets the direction and defines the aspirations of our school community.

At The Kingsway School, our vision statement is:

‘Achieving success and transforming lives through community, compassion and curriculum’

The Kingsway School Foxland Key Messages

Welcome Address

Welcome back to the FINAL term of this academic year. Well done to the year 11 students who took advantage of the revision sessions that were offered over the Easter holidays. With exams this term for both year 10 and year 11 it is important that everyone is as prepared as they can be. Preparation starts with being in school every day and being in all your lessons. Your teachers will be supporting you to prepare in terms of your well being as well as modelling effective revision habits. Every Moment Matters.

We are expecting the next week or two to be warm weather so we are officially moving to our summer uniform. This simply means that jumpers are now optional but please remember to keep your shirt tucked in if you are not wearing one so you continue to look nice and smart.

Every new term brings new opportunities for achieving success and transforming lives. At the start of each term, we ask you to focus on your personal targets and consider one thing you can focus on to give yourself a sense of success. What one small thing could you do differently to improve your experience of school? Have a good week.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

Exam preparation

- 🚫 **1 Distraction Removed Per Session:**
Phone in another room? Notifications off? That's a win.
- 🛌 **15 Minutes of Extra Sleep:**
Sleep = memory consolidation. Every extra bit helps.
- 💧 **1 Glass of Water Before Studying:**
Hydration = focus. Brain fog, gone.
- 🧘 **1 Minute of Deep Breathing Before Study:**
Reset your mind. Calm your nerves. Own your focus.

- ⚡ **“Success is built in quiet moments — not in the spotlight, but in the grind.”**
Every small session, every flashcard, every reread counts.
- 🧠 **“You don’t have to feel 100% to give 1%.”**
Even on rough days, showing up a *little* still moves the needle.

Y10 PPEs - You've got this!

"Right here, right now — this is your moment.

Not because you know everything... but because you *kept showing up*. Because you've put in the hours, the effort, the late nights, and the early mornings.

You've battled distraction. You've faced doubt.

And still — you're here. Ready.

This exam is not bigger than you.

It's just a page in your story — a story you're writing with grit, with focus, with heart.

Breathe in confidence. Breathe out fear.

This is not the time to shrink — this is the time to *rise*.

You've done the work.

Now walk in there like you *belong*.

Because you do.

Let's go!"
