

The Kingsway School Foxland Key Messages

Welcome Address

Welcome back after a lovely sunny bank holiday weekend. Last week, final GCSE exams started for our Year 11. To support Year 11 to prepare for this final leg there will be some adaptations to their usual timetables but the timings of the school day remain the same. Attendance to school during the exam period is important. All Year 11 students are expected to be in school and participate in the focussed revision sessions that departments are delivering.

Year 10 students have been sitting their first practice exams under formal exam conditions and have made a great start. It can feel daunting at first but it is important that routines are rehearsed so that the nerves have subsided when the external examinations take place. Staff are on hand to offer support and guidance to make this as smooth as possible.

It is important when preparing for exams to have a have a positive mindset and see challenges as opportunities rather than barriers. It is only when we step outside of our comfort zones that we begin to grow. Year 10/11, we've got this. Bring it on!

Have a good week

End of day dismissal

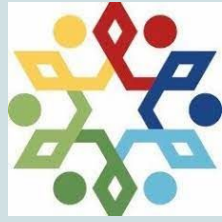

An important reminder about moving safely from campus at the end of the day.

Your subject teacher will dismiss you when the end of day bell rings at 3pm. In the lead up to the dismissal they will end their lesson by summarising the key knowledge and skills you acquired, ask you to clear up equipment, ensure your desk/area is spotless and inform you to stand behind your chair. They will then nominate a Teacher Star of the Lesson and a Student Star of the Lesson. This will be added to Class Charts so your parents/carers can celebrate with you when you get home.

You will be dismissed and should follow the campus exit maps to leave the building. Be vigilant when crossing at the Pedestrian Crossing (where Ms Clarke stands) and only cross when it indicates you can. Ensure you are also crossing Silverdale Road carefully, stopping when drivers exit/enter the road.

Finally, your conduct whilst waiting for the 758 and 810 school bus should be impeccable. Remember safety first and you represent our school.

Ready-Respect-Safe Break Times

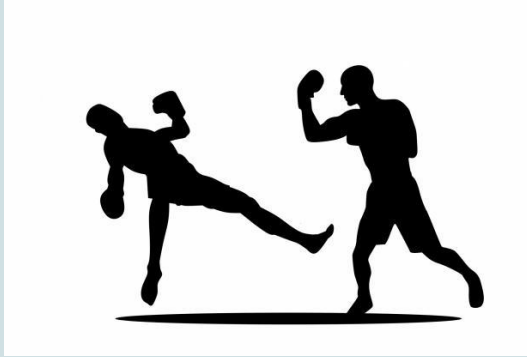

Foxland field will be open B2 **WHEN DRY**. But please note:

1. Do not stand/sit behind the trees or in the far corners of the field. **There should be no students near the fences of our neighbours.** These areas are out of bounds.
2. Do not move or swing from the goalposts.
3. Where possible footballs will be brought out. Only if footballs are returned as soon as the whistle is blown will be brought out the following day.
4. All litter must be placed in the bin.

Ready-Respect-Safe Break Times

The following activities are not permitted:

- Rough play
- Littering
- Water fights
- Going in corners of the field.
- Going behind the trees

THIS WILL RESULT IN FULL
CLOSURE OF THE FIELD.

VE DAY - 80th Anniversary

On 8 May 1945, people in Britain and across the world celebrated Victory in Europe, now known as VE Day. This marked the unconditional surrender of Germany and meant an end to nearly six years of a war. Some people celebrated early. Many people in Britain didn't wait for the official day of celebration and began the festivities as soon as they heard the news on 7 May. After years of wartime restrictions and dangers – from food and clothes rationing to blackouts and bombing raids – many were finally able to let loose and enjoy themselves.

At The Kingsway School, we have provided students with the opportunity to engage with an immersive experience that brings key moments from VE Day to life for its 80th Anniversary.

Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

Moving forward, you will be reminded when these are coming up in these messages.

A TKS student is always respectful

Respect takes work, it means you contributing to our school environment. Explain to friends and family at home the actions of the Japanese supporters during the World Cup 2022. Why was this person's actions in the spotlight of the world's media?

Y10 PPEs - You've got this!

"Right here, right now — this is your moment.

Not because you know everything... but because you *kept showing up*. Because you've put in the hours, the effort, the late nights, and the early mornings.

You've battled distraction. You've faced doubt.

And still — you're here. Ready.

This exam is not bigger than you.

It's just a page in your story — a story you're writing with grit, with focus, with heart.

Breathe in confidence. Breathe out fear.

This is not the time to shrink — this is the time to *rise*.

You've done the work.

Now walk in there like you *belong*.

Because you do.

Let's go!"
