# The Kingsway School Foxland Key Messages

# Welcome Address

Good Morning. I hope you have had a nice weekend and are feeling ready for the week ahead. Last week's assemblies focused on the 'achievement' part of our core values and how this word can mean something different for everyone. If you remember our ABCs from last half term, you can use these as reference point for your achievements:

**Achievement in attendance:** You should all aim for 95% attendance in every Half Term, for this half term, that would be less than one day off. Achieving this will not only support you to prepare for your upcoming assessments but also gets you a place on our reward trip.

**Achievement in behaviour:** Our school positive point ratio is 95% percent, which shows us that most of you uphold our culture almost all of the time. A 95% positive point ratio is amazing or even simply improving your ratio in the 19 days of this half term might get you on our rewards trip.

**Achievement in the Curriculum:** The real achievement when it comes to our school's curriculum is learning new things but we also measure achievement using a 5 point system. You should always be aiming to maintain or be working higher than you starting point - this means that you are improving and learning more.

Each day, try to focus on the small things you can do that add up to bigger achievements in your ABCs.

Have a great week.  
Ms Linnecor

# Year 11 Message

Well done to all the year 11 students who attended the English session on Saturday morning, it was fantastic that so many of you took this opportunity to support your revision.

The adapted timetable for year 11 continues this week with a number of WTM/Masterclasses that will be delivered around your exams. These sessions will continue after the half term break. It is important that you arrive to these sessions on time so that you don't miss out on any final top tips/advice.

On Friday afternoon, home learning will be introduced into your blended learning offer with some sessions being delivered remotely after half term. Please check details of when and where these sessions will be. [Final leg Details](#)

The final day for year 11 is Wednesday 18th June. Students will be invited into school for a final assembly. Students must arrive in full uniform to be able to attend the assembly. Shirt signing will take place after the assembly and students can then collect hoodies and yearbooks if they have purchased them. Students will be dismissed at about 10:30am.

# Big Wins

Our year 10 Sharing/Celebration Assembly will be take place this week. This is a chance for students to be congratulated both individually and collectively. Mr Howarth will lead the assembly (remotely), focussing on celebrating the excellent achievement of students in lessons, their approach to their learning and recognising individual students who have embodied our TKS core values this half-term. Well done in advance to all students who receive a Well done postcard from their year team (along with 4 positive points). Our wonderful year 11 students will be celebrated in their Leavers Assembly on the 18/6/25.

# Why are routines an important part of our school standards?

ACQUIRE A  
KEY WORD:

Routine

DEFINITION:

A sequence of actions  
regularly followed.

ETYMOLOGY:

Taken from the french word  
“routine” meaning a usual course  
of action.

**Can you list our school routine for lesson starts/endings?**

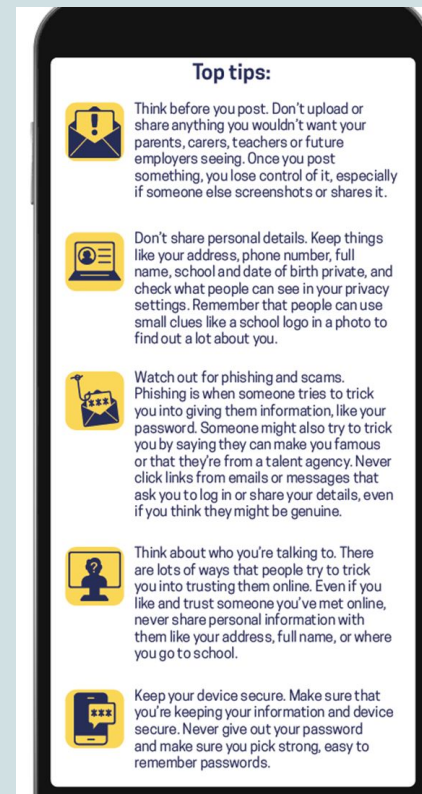

# Safe: Safeguarding Awareness Week

This year's Safeguarding Awareness Week theme is:  
**'Empowering and protecting students in a digital world'.**

Do any of these statistics surprise you?

# Safe: Tell us your views

**The Safeguarding team will be running student panel discussions this week.**

**There will be two topics:**

1. How can we make sure everyone feels safe in school all the time?
2. How safe is your online life?

If you would like to join a panel discussion, email Miss Hulance. If you don't want to join but want to share your views (anonymously if you wish), tell us on Whisper.

# Ready-Respect-Safe Break Times

Foxland field will be open B2 **WHEN DRY**. But please note:

1. Do not stand/sit behind the trees or in the far corners of the field. **There should be no students near the fences of our neighbours.** These areas are out of bounds.
2. Do not move or swing from the goalposts.
3. Where possible footballs will be brought out. Only if footballs are returned as soon as the whistle is blown will be brought out the following day.
4. All litter must be placed in the bin.

# Ready-Respect-Safe Break Times

The following activities are not permitted:

- Rough play
- Littering
- Water fights
- Going in corners of the field.
- Going behind the trees

THIS WILL RESULT IN FULL  
CLOSURE OF THE FIELD.

# Ready, Respect, Safe Assembly: No Jewellery allowed

After Easter Holidays:

- All jewellery will be confiscated if seen in school
- Please do not wear jewellery of any type.
- Should your jewellery be confiscated, you will be able to collect it from the main reception at the end of the school day.
- A wrist watch is permitted.

## Ready-Respect-Safe Attendance

Attending school every day is important and everyone should aim to get 100% attendance.

To celebrate good attendance merits and prizes will be issued every week, every half term and every term.

100% attendance for a week: merits and entry to a weekly prize draw, one for each year group.

The top 3 forms in each group will receive extra merits.

100% attendance for a week: entry to a half termly prize draw.

**ATTEND! AIM HIGH! ACHIEVE!**

# Ready-Respect-Safe Attendance

95%	=	<b>47 LESSONS MISSED EACH YEAR</b> 8 days in total or 1 week and 3 days
90%	=	<b>95 LESSONS MISSED EACH YEAR</b> 16 days in total or 3 weeks and 1 day
85%	=	<b>142 LESSONS MISSED EACH YEAR</b> 24 days in total or 4 weeks and 4 days
80%	=	<b>190 LESSONS MISSED EACH YEAR</b> 32 days in total or 6 weeks and 2 days

## **ATTENDANCE MATTERS**

**WHAT DO YOUR  
ATTENDANCE  
FIGURES  
ACTUALLY MEAN?**

What was your attendance last term?

How many lessons have you already missed?

Every lessons counts

# Ready-Respect-Safe Attendance

Your attendance in school is extremely important if you are to reach your potential.

Each member of the form with 100% attendance last week will receive merits

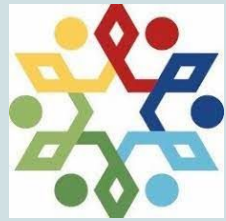

Well done to 10CRO

# Ready-Respect-Safe Attendance

Every Friday there is a prize draw for each year group to celebrate good attendance.

Every student who has 100% attendance for that week is entered into the draw.

Winners for KS4 were:

Year 10- Ethan A

Year 11- Isabel R

Every week names of students who have 100% attendance are entered into a bigger prize draw that takes place every half term. You must be in school to have a chance of winning.

# Opportunity- Career Insights Programme

As part of our commitment to preparing students for their future, parents/carers will be coming into school to visit Year 7, 8 and 9 form groups for a discussion about careers during form time after Easter.

Each form group will have at least 1 visit from a parent/carer next half-term.

If your parent/carer is interested in getting involved, please ask them to complete the form below to sign up.

# Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

**Moving forward, you will be reminded when these are coming up in these messages.**

# Achievement: Year 10

## Upcoming 'Milestone Assessments'

Subject	Topic	Dates & Details
Art	Chosen artist and development work	Between 12th and 23rd May
Photography	Portrait Project	Between 12th and 23rd May
Maths	PPE paper 1 Retest & HT5 Skills check	Week commencing 19th May

# Achievement: Year 11

## Upcoming 'Milestone Assessments'

Subject	Topic	Dates & Details
Engineering	Unit 1 and 2	W/C 28/04/2025
Art (Fine Art)	Exam preparation work.	Mon 28th April
Art (Fine Art)	Coursework - Animal and Buildings project.	Thursday 1st May

# Respect: Positive Social Behaviour

**A TKS student speaks to others in a kind/respectful way.**

A TKS student does not use -

- Unkind language
- Swearing and bad language
- Discriminatory language
- Rudeness to others (including staff and students)

This includes language used on the corridor, lining up at the canteen and to/from school.

# Y10 1% club

## Reflection on PPEs

- This week you will be receiving your PPE results. Some of you will be happy, some of you will be disappointed. It is how you reflect on these results, that will determine how your results turn out this time next year.
- We can use 1% gains in order to do this (See next slide)

Click to reveal

# Y10 1% club - Reviewing results

## 1. Reflect on What Went Well and What Didn't

- **Look at Your Mistakes:** Identify the areas where you lost marks. Were they due to misunderstandings, careless mistakes, or lack of knowledge? Once you identify these patterns, you can make targeted improvements.
- **Recognise Strengths:** Also review areas where you performed well. Strengthening these will help solidify your understanding, and you can aim to further enhance these strengths.

## 2. Targeted Study Based on Results

- **Focus on Weak Areas:** Based on your results, allocate extra study time to subjects or topics where you scored lower. Even a small improvement here (1-2% in understanding) can have a big impact on your overall performance.
- **Prioritise:** Sometimes, improving your score in one weak subject can lead to significant overall improvement in your average grades. Set small goals for each study session (e.g., 1% better understanding or a few more practice questions).

## 3. Seek Feedback from Teachers

- **Detailed Feedback:** Don't just focus on grades. Ask your teachers for specific feedback on where you can improve. A 1% improvement might come from understanding why you got a question wrong.
- **Clarify Doubts:** Use the feedback to clear up any misconceptions and strengthen your knowledge in those areas.

## 4. Stay Consistent

- **Small, Consistent Efforts:** Regularly review your exam results, adjust your strategies, and track your progress. Consistent effort in analysing and improving by even 1% every week can lead to significant gains over time.
- **Keep a Growth Mindset:** Always approach challenges as opportunities to improve. Even a small gain can give you the momentum to keep going.
