The Kingsway School Foxland Key Messages

Welcome Address

Welcome back to our penultimate week of the school year.

Over the next couple of weeks there are lots of trips to Colleges, Salford Quays, Edale and Duke of Edinburgh Expeditions. I hope you have a great time and make lots of memories but most of all take these opportunities to further your learning. These trips are to support your learning as well as give you valuable experiences to demonstrate that you are prepared to push yourself out of your comfort zone and take on new challenges.

This week in assemblies we will be returning to discussions relating to the relaunch of our House system. Houses create opportunities to encourage collaboration, team spirit and improving the school community. Your voice is integral in making this happen.

Have a great week.
Ms Linnecor

Safe

A reminder of some tips as this week's weather reaches highs of 29 degrees celsius by the end of the week:

1. Bring a pre filled water bottle to school which you should refill during break 1 and 2.
2. Apply sunscreen before school and during break times if needed.
3. Find shade if you are enjoying our outdoor space - ensure you know where the shaded areas are by doing a check today/tomorrow.
4. Support each other, if you see someone is hot, check in on them.
5. Keep your cool in lessons, work smartly.

Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

Moving forward, you will be reminded when these are coming up in these messages.

Achievement: Year 10

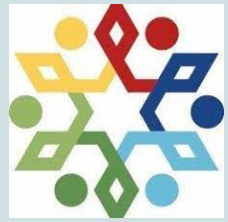

Upcoming 'Milestone Assessments'

Subject	Topic	Dates & Details
Art	Animal project - Development work and final piece planning - Final assessment	W/C - 7th July
Photography	Portrait project - Alana Dee Haynes and independent photographer development work	W/C - 7th July
Maths	HT6 Skills check	W/C 7/7

ACTION:

Reflecting on you

Year 10, I want you to take a moment to reflect on how far you've come not just in your grades, but in who you are becoming. Progress doesn't always mean big, dramatic changes. Sometimes, it's about improving just 1% each day. Those small, consistent steps add up to incredible growth over time. Ask yourself: What can I do today that's just a little better than yesterday? How can I challenge myself to learn a bit more, be a bit kinder, or show a bit more resilience? When you focus on those tiny improvements, you're building habits and strengths that will carry you far. Remember, success is a journey of continuous self-reflection and steady progress. Keep pushing forward, even when it feels hard, because every small gain brings you closer to your goals. I'm proud of the young people you're becoming — keep believing in yourself and the power of those 1% gains.
