

# **The Kingsway School Foxland Key Messages**

# Welcome Address

Welcome back, I hope you enjoyed the half term break.

We start the half term with reminders about our school expectations. Being part of a school community involves working in harmony with each other. In order for that to happen successfully we all need to follow rules and expectations. As always, we will continue this half term to embody our core values:

**Opportunity:** As we prepare for year 11, this term includes trips that will support you with your case studies in History and Geography as well as give you the opportunity to gain the Duke of Edinburgh Bronze Award. College visits will also take place to support you in thinking beyond GCSE.

**Achievement:** Following your Mock exams, Year 9 exams, you will all be completing therapy lessons and retests that will support you to make progress.

**Respect:** Please continue to earn as many positive points as possible to show you are meeting our 'ready-respect-safe' standards. I hope this means that lots of you also get the chance to go on our end of year rewards trip.

**Compassion:** Please remember our messages from last half term relating to our zero tolerance approach to bullying. We can only deal with this if it reported to us so please be vigilant and tell an adult if you are concerned.

Have a good week

Ms Linnecor

## Big Wins

Wait for it.....here is the update so far measuring positive points (a ratio of at least 95%).

**64%** of all students in the year group have already achieved the first benchmark of achieving at least a 95% classcharts positive ratio in the last half-term.

# Achievement

At TKS, you will often hear your teachers talk about your 'learning journey' and the key bits of 'essential knowledge' you will learn as you move through school.

When the moment comes for your teacher to stop more formally check what you have learned, we call these '**Assessment Milestones**'. They help you and your teacher to know that your learning is progressing in the right direction.

**Moving forward, you will be reminded when these are coming up in these messages.**

# Achievement: Year 10

## Upcoming 'Milestone Assessments'

Subject	Topic	Dates & Details
Art	Animal project - Development work and final piece planning	W/C - 7th July
Photography	Portrait project - Alana Dee Haynes and independent photographer development work	W/C - 7th July

# Respect

When we consider how we can actively be respectful there is often discussions about power.

In your forthcoming SEAL lessons, you will investigate how citizens have their rights “respected” in a variety of countries.

In preparation for this, consider the following as a group (or in pairs):

- ☐ Define the term respect.
- ☐ How do we as citizens of Great Britain feel respected by others?
- ☐ Do you feel respected here at TKS?

Your form tutor will ask you for your input at this point. They will use the following sheet to record any points/concerns/questions which will be addressed.

## The start of the end of your secondary education

- **"Educational growth doesn't require giant leaps—just a 1% improvement each day. A single concept better understood, one extra question asked, or one more page read adds up to lifelong learning."**
- **Day 1:** Review notes for 5 extra minutes.
- **Day 2:** Ask one more question in class.
- **Day 3:** Learn one new vocabulary word.
- **Day 4:** Watch a short educational video related to your subject.
- **Day 5:** Correct one mistake from a previous assignment.
- **Cumulative effect:** Over weeks and months, these small habits build stronger understanding, confidence, and academic performance.
